Hi my name is
Isikuri Iniestra (Izzy),
as a pet owner I know
what it takes to care
for ones pets, but
with such busy sched-
ules it's hard some-
times to find the time.
That's why I'm here to
help! As a certified
care taker I'm trained
to provide all kinds of
service: walking,
grooming, pet sitting,
transport to appoint-
ments. My years of
experience is not
limited to my own
pets. I have worked
in animal hospitals and
in households dealing
with a wide variety of
different animals.
Let me be the one to
make your pet happy.

**"FROM THE EDITOR!
 UNSPOKEN THOUGHTS"**

Welcome to The Land of Never, Never. Never work, never worry, and never pay bills! It seems that the new technology is making us more dependent and less efficient. I have seen more applications and services in Television ads this last couple of weeks that basically cater to the thought that it is normal to stay at home, do nothing you will be provided for. There was a TV show back in the 1950's called "Ozzie and Harriet". That was the one where a young man named "Ricky Nelson" got national recognition. The head of the household "Ozzie" was always strolling around the yard, smiling and chatting with neighbors. Not one episode did it show him coming home from work. I don't think that they ever mentioned if he had a job. We are seeing more and more of that as of late. Why work if you can get someone to work and provide for you. Last week when I was getting my taxes done I noticed a store that was set up primarily to take EBT cards. This store is in place so as not to embarrass the individual using the card. My first thought is, if you are embarrassed then that means you are fully aware that you are doing something wrong or underhanded. Now here is the part I am having trouble with. The cars and SUV's that are pulling up to shop there are 2013 and 2014 models. They have been customized from bottom to top. The tires and rims alone run in the thousands of dollars. I guess that when OBama and his rich Liberal Friends handed out their wealth I missed the event. I work hard everyday and drive a truck that is 13 years old. I shop for good bargains at the grocery store. I sweat bullets trying to make ends meet. In the new system, lazy slobs get rewarded, hard working people are punished. The less you produce that easier your life becomes. The other bad news of the week is that by summer prices on meat will climb between \$1.00 and \$2.00 a pound. We are all ready screwed at the pump now they are ready to lay you across your kitchen table and do it again. When are the people of this nation going to open their eyes and see the truth. Snowden, the man who stole the secrets documents, tried to warn us. He is a whistle blower painted up to be a traitor because he exposed the corruption.
