IZZY PET CARE  
Personalized in  
home pet care  
Hi my name is  
Isikuri Iniestra (Izzy),  
as a pet owner I know  
what it takes to care  
for ones pets, but  
with such busy sched-  
ules it's hard some-  
times to find the time.  
That's why I'm here to  
help! As a certified  
care taker I'm trained  
to provide all kinds of  
service: walking,  
grooming, pet sitting,  
transport to appoint-  
ments. My years of  
experience is not  
limited to my own  
pets. I have worked  
in animal hospitals and  
in households dealing  
with a wide variety of  
different animals.  
Let me be the one to  
make your pet happy.

**"FROM THE EDITOR!  
"UNSPOKEN THOUGHTS"**

"When ignorant folks want to advertise their ignorance, you don't really have to do anything, you just let them talk."  
These were the words uttered by a man who lives up to that phrase, 100%! The man I am talking about is Pres. Obama. We are now entering into our new age. We are now living in the newly formed United Socialist States of Amerika! Everyone is aware of the taped private conversation of Donald Sterling. We are now going to see first hand how a man's life, wealth and reputation are easily destroyed. Obama stepped in with his B.S. followed by the N.A.A.C.P.. There is not one person on this planet that has not used a derogatory reference against another person. If you say you haven't, you are a liar. Sterling is the starting point, who knows who will be next. The constitution protects our right to have a different point of view, as long as we do not hurt, harm or harass another person for theirs. The Mayor of L.A. wants an apology from Sterling. If I were in Sterling's shoes, I would give him the one fingered California wave and then point to the spot on my former military ass he can kiss. Sterling has the right to his opinion regardless if we agree or not. Now he is the poster boy for what will happen when you don't get on board with social and political correctness. Obama chose to get involved in chastising Sterling. This is the first step to socialism or worse. I don't see where this can have anything other than a bad ending. That piece of walking garbage "Snoop Dog" ranted to TMZ and used every derogatory word that could be used against "Whites"! My question is, why is he not being confronted about his "Racist Rant?" Oh, that's right, he is Black and entitled by birth to insult Whites any time he chooses. Sterling has a good bank roll and can afford to fight this in court. Not over his rant, but the government violating his constitutional rights. Just last week, our wonderful government set out to steal Cliven Bundy's herd. I was appalled by the number of individuals in our corrupt media that are cheering the attack on Sterling. His biggest crime is he is a rich white man and that is not acceptable in our new Socialist Nation.
