**"FROM THE EDITOR!  
UNAPOLOGETIC THOUGHTS"**

I don't know about you, I personally am tired of hearing all the news stories still trying to punish Donald Sterling. When all is said and done, he is still rich and the individuals that are trying to destroy him are still Low Life Left Liberal Losers. Obama's plan is in play here, redistribute wealth anywhere he can steal it! It is like watching the Hyenas on National Geographic attack and devour their weakest member. Obama and Eric Holder are two of the "Biggest Racists" in the country and they love to play the race card every chance they get. Almost as overboard as the O.J. Simpson trial. At least O.J. is getting his just rewards!

Speaking of our Holy Emperor Obama, I received a very interesting bit of mail from Senator Rand Paul. Seems while we are kept occupied with all the garbage the Media can throw our way, Obama is planning to sign the "Small Arms Treaty" which will give the United Nations and the other corrupt bastards that are stealing our wealth, freedom and God knows what else, the ability to have the final say on whether or not your competent enough to own a gun. You will also be restricted on how many guns and ammo a licensed individual may own. Oh yes, Licenses for purchasing guns or ammo. The Federal government will be the one determining if you qualify to own a firearm, only after you prove that there is a real need to own one for your personal protection and you can prove your life is in danger. I would like to see the U.N. and all the trash that it brings to our country pitched out of our nation with no tenderness. Well armed citizens are a real hazard when it comes to invading a country. That is why Japan never tried to invade the west coast during WWII. They weren't afraid of our Army, it was the citizens that kept them at bay. They knew that just about every civilian owned and knew how to use a gun. They were fully aware that if they tried a beach landing their troops would be gunned down and our ocean would run red with their blood. Armed civilians in our nation is what keeps many foreign want to be invaders, respectful. Where there is no respect, there should be fear! CALL ME!!!
