IZZY PET CARE
Personalized in
home pet care
Hi my name is
Isikuri Iniestra (Izzy),
as a pet owner I know
what it takes to care
for ones pets, but
with such busy sched-
ules it's hard some-
times to find the time.
That's why I'm here to
help! As a certified
care taker I'm trained
to provide all kinds of
service: walking,
grooming, pet sitting,
transport to appoint-
ments. My years of
experience is not
limited to my own
pets. I have worked
in animal hospitals and
in households dealing
with a wide variety of
different animals.
Let me be the one to
make your pet happy.

**"FROM THE EDITOR!
UNSPOKEN THOUGHTS"**

I would like to thank all the callers that left messages on the "Editor's Line". It is always such a happy thought that there are still individuals that can appreciate the truth. The media seems to be fixated on nothing but garbage anymore. No matter which station I tune in, CNN or HLN, ABC, NBC, CBS it is all "CRAP"! I don't care to hear about "Little Girls Gone Bad", "What Michelle Obama Has To Say About Anything" or "How Sterling Is Going To Get Screwed Out Of His Team". I want to know about the real issues that effect our daily lives. They were saying that the price of gasoline could possibly drop to \$2.50 a gallon in the next couple months. I guess the "Backdoor Deal" Bush made with the oil companies after 9-11 has expired. No one I talk to seems to remember his bragging on TV about how he personally negotiated with the oil companies to get the price reduced to .99 cents at the pump, to help ease the pain, suffering and shock of the American People. No one seems to remember right after Obama won the first election, before he entered office, that the price at the pump in a matter of weeks went from \$4.00 a gallon down to \$1.56 a gallon at the pump. The oil company representatives were saying that since we did such a good job conserving fuel they were able to drop the price. Slowly, after Obama took office, the price of fuel started creeping back up. Since Obama said nothing, the oil companies took for granted that he was on board with the gouging that they were inflicting on the American Working Class and all was good. Has the ability to remember issues that effect us daily gotten to the point that no one cares? I hope that the public wakes up and realizes that we have been sold a bill of goods. We have let it get so out of hand that we might not recover. I had to laugh when we accused the Chinese of hacking into our computers, they threw it right back in our government's face that Snowden already exposed them hacking into everyone else's system. It really is a sad day when there is no longer any honor. But, then again, there is no honor amongst thieves!
Have a great weekend! CALL ME!!!!!!!
