IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

I would like to thank Mr. Turner who called in with a great idea on how to get our soldier back from the Mexican Prison. I think that he really has a great thought. We could trade 12 or 13 million undocumented immigrants (illegal aliens) for his release. Similar to the trade that Obama made with the Taliban to free our soldier who was held as a P.O.W. for 5 years.

Some one will be waiting for you at your door, when you get home tonight. Oh yes he tells you darkness gives him much more than you get from the light. And yet the media will tell you that 1984 never happened! I started my editorial with these lyrics from a song that once played high on the charts. Do you realize that no mater where you are you are probably being observed or recorded? There is a TV series "Person of Interest". Some think that it is just science fiction. It is actually a reality. You can go on the Internet and view live cameras recoding people in everyday moments all over the country. "Big Brother" is with you every minute of your day. If you think that being out on the open highway, in the middle of no where you are out of view you are wrong. I was made aware of how our lives are being watched when a friend of mine told me about a site he pulled up with photos of vehicles and their occupants. I said you have to be kidding me! He showed me what he had discovered. I was stunned beyond belief! For me to be stunned you have to really come up with something out of the "Twilight Zone"! It was actually a picture of me driving with a passenger, in a truck that I no longer own. The place it was taken is away from the everyday hustle and bustle. There are no tell tale signs that this event could have taken place. Yet, to my amazement, it was me. You could see me and my passenger clearly enough to make a positive identification. Your freedom is being stolen from you at such a slow rate you never notice. It is like dropping a frog in boiling water. He hops out instantly. Put him in the pan and bring the water to a boil slowly and the frog will sit there until he is cooked. Think about it! CALL ME!!!!
