IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**"FROM THE EDITOR!
 UNSPOKEN THOUGHTS"**

"When we get piled upon one another in large cities, as in Europe, we shall become as corrupt as Europe. "The democracy will cease to exist when you take away from those who are willing to work and give to those who would not."

These words of wisdom were spoken over 200 years ago by the smartest man this country has ever know. Thomas Jefferson was indeed hundreds of years ahead of his time. His companions that helped to win our independence from Britain trusted in his wisdom to help guide the birth of this new nation.

Most of the citizens in our country don't have a clue that Jefferson wrote the Declaration of Independence that took care of the mistreatment of our citizens. He also knew that there were dangers ahead of us and tried to leave a wonderful message on how we could protect ourselves from domination from corrupt individuals who would steal our wealth and the wealth of many generations to come. He believed that everyone had the right to possess firearms. Not so much to protect themselves from common bottom feeders. To protect us from ever having a government who could abuse its citizens who would have no means of defense if our government fell under control of evil and wicked men. America needs to wake up and see that nothing politicians or government does is for your benefit. They hand out trinkets to win over the vote of individuals who do nothing but take the life's blood of our economy and our children's future. We are so far in debt the only way to save us is to put down guidelines for the "Bastards" that we have elected and remind them with a stern hand that "We the People" are and will always will be the final word on any decisions that the Congress or Senate put in place. Thomas Jefferson should be the guiding light with his wisdom to help change the direction our nation is heading. When I look at the "Trash" that is elected to office I just want to "Spit Nails" in their faces. I for one will never succumb to the corruption and say that all is well with the direction we are heading.
