**"FROM THE EDITOR!
 UNSPOKEN THOUGHTS"**

This last week has been interesting to say the least!!!

L.A.'s Mayor dropped the "F-Bomb", the economy is drying up and we finally have found weapons of mass destruction!!!

The shame is that the weapons of mass destruction in Iraq are the one's that were sent there by George W. Bush. The whole issue of hunting down Bin Ladin was a lie. We went over to Iraq and removed the only person that kept the area stable. I'm not saying that he was a good man, we know that he was brutal. With that said, he is the one that everyone in that area of the world feared to cross. If they did he came down with a heavy hand and put fear in their hearts and minds. I am a firm believer that where there is not respect, with out a doubt, there is the need for fear. Why in the world did Washington D.C. think that you could bring Democracy to an area in the world that has no understanding of that concept. I most of the, lets say primitive, parts of the world the "Big Dog" always eats first. Then as it goes down the line the scraps get smaller and smaller until the meal is completely devoured. Now instead of seeing some relief at the gas pump this summer we will see prices climb to where they were 8 years ago under George W. Bush. Have you noticed that he is the only President that really has kept a low profile since leaving office? It is simple to understand the reasoning behind that. He knows that he sold us out. Lied to us about weapons of mass destruction. Got our sons and daughters into a war that can not be won without totally burning Iraq to the ground. Bush borrowed three trillion dollars from China to finance this foolish endeavor. Obama is caught between a rock and a hard spot. He is not a strong leader, his strongest ability is to raise money to elect more corrupt idiots to office. Obama takes more breaks and vacations than any President I can remember in the last 60 years. Obama presents himself as a "Rock Star" rather than a world leader. What in the world have we allowed politicians to do to us. I fear the America I grew up in is lost! CALL ME!!!
