PETS

IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

"UNSPOKEN THOUGHTS"**

It seems that the migration North is out of control. Obama is asking Congress for 3.7 Billion Dollars. I'm not sure why he is going through channels, we know how slow the Congress and Senate take to address an issue. If he call me for advice, I would tell him, "Just fly back out to California and hit up your Rich Liberal Buddies". We know how Obama can raise money in amazing amounts when he is looking for funds to help get more Democrats elected. Well, use the same B.S. one more time and tell them that they can help stop the suffering of the undocumented immigrants with their donation. He could promise them a flight on "Air Force 1" and maybe a private dinner with him and Michelle and the daughters. Damn, for that one I'll chip in at least a Ten Spot myself. It is getting crazier and crazier by the minute. Jobs that should be ready for our returning soldiers will be given to the people here illegally but have a temporary work permit card and a new drivers license courtesy of Jerry Brown and the rest of the idiots in Sacramento. On a local level, we are waiting to see improvements in our economy. During good financial times, businesses in the Hi-Desert know that it is difficult to make a profit. With the push on raising the minimum wage to \$15.00 a hour, life will be just a bed of Roses. I won't put much faith in the actions of our elected officials during the next 2 years. Even when it comes to the 2016 election I fear that we are still going to keep heading South with the Speed of the Bullet Train. I heard a comment on the radio a couple of days ago about how Americans need to get on board with the new world agenda. We need to realize that we will be put in our place, if we don't conform to what the rest of the world demands from us. We need to understand that we are no longer a driving force in the world and that we should accept a more humble position. Then again the individual was a Canadian. I have 1st cousins in Canada. My though is, if I had my way, not one of the Socialist Bastards would ever get a Green Card to work here. I don't even think that I would let them visit. The one that are here, that have become citizens, are trying to turn our country into a similar piece of crap that they just left. Go figure!
