**FROM THE EDITOR!  
"UNSPOKEN THOUGHTS"**

The world is going to "Hell In A Hand Basket" and our "Super Star President" is flying out on "Air Force 1" to raise more money to help get more "Idiots Elected"!!! I can't believe the self righteous crap that this "Pompous Ass" throws in our faces.

Yet, no one dare to challenge him for fear of being called a racist! I hope that we come to our senses soon. The problems that we are seeing overseas can actually arrive on our own shores. For many decades, Americans have lived the life of never - never. We haven't had, other than the attack on 9-11, any fear about our own safety. I love to hear people say, "Well it might not be perfect, but, it is better than living anywhere else"! It is that sort of mentality that has led us to where we are today. We don't seem to care about our freedom being taken as long as we can watch our televised sports and see reality TV. When I was growing up in the 60's, we were not perfect by far, but we were not afraid to publicly voice our objections to a war that had nothing to do with our freedom or well being. Many lost their live on foreign soil. The ones that made it back were treated like garbage. Most of the ones with mental issues committed suicide or turned to alcohol or drugs, to lessen the pain of what they saw. Young men should never have to witness such a war that was fought over money, had nothing to do with helping a people obtain freedom. That's enough said.

Brown is pushing on that "High Speed Rail" and come rain, mud, shxt or blood, he will see it through. It will be the final nail in the coffin. We are already having enough difficulty finding work or keeping a job. Democrats and Republicans in this state don't really care about you and your families needs. They will promise you the Moon, and they shrug their shoulders when it all comes falling down. Sad part is, they can't be held liable for any of the waste. They have made it where they are above the law. The only time you see one of them get arrested and put on trial is when they over step and steal more than there counterparts in office. It really is "The Good Ole Boy Club"!
