**"FROM THE EDITOR!  
 UNSPOKEN THOUGHTS"**

WOW! Rain hit and it was more than the storm systems could handle!!! What a SHOCK!! One of the things that I have talked about in the past is the inadequate system that is in place for such an occurence. In the Southwest were I grew up, we had a system in place to recapture the heavy rains when the hit. Even during the droughts, we were never told that there was a water shortage or we needed to ration our water. What California needs to put into place is a systems of arroyos to capture the rain and return it to replenish our underground aquifers. This could have been put in place decades ago. When Pat Brown was Governor, he help create and put in place the Mojave Water Agency. Rather that steal the water rights of farmers and ranchers through this Agency, he should have focused on a real and affordable way to maintain water for the residents of the state. Jerry Brown, Pat Brown's son, is even more of a JOKE than his father. His BIG DREAM is to waste 68 Billion Dollars on a train to nowhere and will never travel any faster than any other train in the nation. I suggest, rather than that abomination, he uses the money to build a real water recovery system to ease the water shortage that we are currently facing. This would also ad new, real jobs for Californians. But, that would make to much sense! The saddest part of our dilemma is that this Joke of a Governor will probably get reelected. We can attribute this to all the voters that don't have a clue on electing a truly qualified individual to office. Everyone who gets elected is there for one and one reason only. To pad their own wallets and live as HIGH ON THE HOG as possible. Regardless, City, County, State or Federal Office we just keep letting the FOX WATCH OVER THE HEN HOUSE! Then we wonder why all the CHICKENS have vanished! As I look around, I see that the new generation is as DUMB AS MUD. As long as they have their Ipods, Cell Phones to they can take selfies and see what the latest Twitter is from some over rated want to be a human, like the Kardashian's, we don't have a chance. The DUMBER people get the better BIG GOVERNMENT likes it! Stupidis the new Smart, and is easy to manipulate and control! CALL ME!!!!
