**FROM THE EDITOR!  
 "UNSPOKEN THOUGHTS"**

I seems that the terrorist group ISIS has many more American Hostages. They say that they will execute these citizens just as the did the young man in the video they released. They also claim that they have an American woman in this group, and if they don't receive \$6.6 Million Dollars they will also execute her as well. If you think that they won't kill her, guess again. These Third World lunatics will kill their own mothers, fathers, sisters and brothers. They have no respect for life, yours or mine. The only way you can deal with this threat is to cut the head off the snake. You need to be prepared to fight a war on a front where there are no rules of engagement! To make an impact on this mentality, you need to re-write the book on what a crazy, blood thirsty group of savages you are willing to lead into battle and show them first hand that you are prepared to remove them from the earth, forever! We know that all the "Bleeding Heart Liberals" will scream how "Barbaric" this would be. To indiscriminately put any and all to death, as painfully as you can imagine, their threats and killings will continue. You do not try to befriend and take home a "Rabid Dog" to your family.

To allow the disease to spread to other parts of your neighborhood? This don't break the rules part of warfare is what has kept us from stopping this plague from spreading. Viet Nam, was a prime example of what not to do. We had our "Asses" handed to us because we played by some ridiculous rules that might have worked when people on both sides were still honorable. In the Middle East, honor is judged by who is left standing when the dust clears. I do realize that not all of the people in the Middle East are crazed assassins, but the ones that seem to have extra large balls are. We should have never allowed George W. Bush to put us in this position. Saddam Hussein kept the region peaceful and walking on eggs. I agree that the man was a tyrant, not nice, and not the one you would have to be the Godfather for your children when you got them Baptized! He dealt with the extremist with an Iron Hand and his BOOT up their ass. Got to respect that!
