PETS

IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

I would like to start out with a thank you to all the readers who called in this last week. Your input is important to me. Not everyone is gearing up to be another drone worker in the big beehive of life. The concept of being an individual is quickly vanishing from our society. Everyone is expected to be a team player, and not question what you are asked to do. I listened to the British Prime Minister addressing the beheading of the British Reporter who fell latest victim to I.S.I.S. . I don't think that he or Obama are putting fear in these "Psycho Crazy Outhouse Rats"! In life when you are confronted with insane individuals, you need to remember the "Golden Rule", even a crazy man is fearful of a man he believes to be crazier than him! To truly have a chance at containing this swarm, the leaders of all the countries that are planing to be involved should throw out the rule book. You have to remember the saying that I grew up with in West Texas, "If you are fighting a fare fight, your strategy sucks!". There is nothing to be accomplished by our involvement. The "Crazies" are not impressed with all the "Big Talk" that is being thrown at them. They have already shown the world, with their videos, they are going to fight to the last man. These videos are proof that they are not afraid to kill in a moments notice. The mother who lost her son, I believe he was the first one they executed, was willing to pay the ransom that was demanded. Our wonderful State Department stated that if she did this, she would be arrested and put on trial. I wonder how that would have played out if that young man had been the son of Obama, Clinton, Holder and so on. You would have seen a whole different song and dance. It is different when it is not your flesh and blood that the world sees butchered by this I.S.I.S. trash. If we go in with our planes and do bombing runs, do it right. Level everything that you see, let God sort it out if there are casualties. He will take the good ones to Heaven and send the rest to Hell in a hand basket. I just hope for our sake, the powers that be don't remove anymore of our individual freedoms, like Bush did with the Patriot Act! You never get them back once they are removed. Call Me!!!

I would like to hear your thoughts 760-298-0902
