PETS

IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

I heard great news last week. Eric Holder, the Attorney General, announced that he was stepping down. I think that is something that had to happen before the mid-term elections. If not, it could put Democratic seats in Republican hands. The sad part, after I jumped up and down with joy, later that day they announced that Kamala Harris was on the list to replace him. The thing that I had against Holder, he picks and chooses which laws to enforce by what he determines to be just, rather than enforcing the laws that are on the books. Kamala Harris stated, when she was elected, "Just because I am the Attorney General for California, doesn't mean that I have to give up my personal convictions!" That is true, neither should be expected to give up their convictions, but what does that have to do with enforcing the law of the land? In my opinion, you are replacing one pathetic joke with another. Neither of these "Clowns" is out for anything other than a gravy job and pad their own pockets with wealth, fame and whatever. The next issue was the new measures that our decrepit, pompous, ridiculous, aging Gov. Brown signed into law. The one that really amazed me is the "Yes" law. When a person is now on a date and hoping to get lucky, you have to have a series of questions answered. All answers have to be "YES"! I can't believe a law has to be passed so a person should use good judgment and morals before having sex with anyone. COMMON SENSE, as though that exist any longer, should be in the front of an individuals mind. If a girl is drunk, drugged, unconscious, why in the world would you think it is okay to take advantage of her. If it was your sister, you would want to hunt the filthy dog down and put him in the hospital, if not the morgue. Since the younger generation grew up with out the proverbial "BOOT UP THEIR ASS", there is no respect for themselves or the rights of others. My motto is, "Where there is no respect, there is fear"! And we wonder why the extremist in the middle-east think we are nothing but a plague. Heaven and God help us! What a circus!!
