IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

Sitting here I'm having a hard time focusing my thoughts on this week's editorial. There are so many things that are going sideways that it is overwhelming! The race for the office of Governor in California. The Ebola Virus that seems to have no end in sight. The draught that is going to make prices at the grocery store climb to ridiculous heights. The only thing that seems to be coming down is the price of gasoline at the pump.

Then again, don't get to comfortable with the lower prices because Gov. Brown is going to ad somewhere between .16 cents and .74 cents to the price on a gallon of gasoline. This "Bald Headed", "Sack of Demented Horse Manure" has the nerve to go on TV and act so ""Righteous and Holier than Thou", needs to come down off the delayed high that he is experiencing from the "1960's". Maybe the "Bullet Train" is a good idea after all. If we could get it redirected from running North and South, to East and West, we could buy him a ticket and send him somewhere else to finish the last of his demented years. I have never respected anything that this buffoon has stood for. I can't imagine how in the world he ever got elected his first time as Governor! Maybe, since his father was Governor, strings were pulled and doors were opened. Then again, if you get enough voters that are high enough on the right drugs, you can view the world in a whole different light. After all, back in the day, California did lead the country in "Drugs", "Rock-N-Roll" and "Free Love"! In the last 50 years we have seen moral values change. We have witnessed a President call out a citizen by name, on national TV and chastise him. Applauding a person losing what is rightfully his and thinking that it is okay? Where the hell did things go so wrong? The U.S.A. that I knew and defended is no more. I can no longer have my own private thoughts in my home without fear of being punished. I have to accept every ones right to be different, but yet in return they won't accept that I also have rights. There is "Black Month", "Hispanic Month" and God only knows what else. If you want to see a fire storm overtake the Media, dare to ask for a "White Heritage Month". Call Me!!!!

I would like to hear your thoughts 760-298-0902
