**FROM THE EDITOR!  
 "UNSPOKEN THOUGHTS"**

I had to laugh when I heard this one on the News! I'm sure by now that everyone is aware of the upcoming elections. The Democrats are putting distance between themselves and our "Wonderful President Obama"! They seem to have been quite pleased with their track record over the last couple of years. Obama, his record speaks for itself! Talk about a "Lame Duck Congress", how about a "Lame Duck President"! In the last 6 years we have seen our economy struggle to keep growth flat. Now that their jobs are on the line they want nothing to do with the President, or be tied to any of his policies. They are now trying to put their best poker face on and pretend that they had nothing to do with over spending, the mistakes that have been made in the Mid-East, or the mess that is heading our way over the Ebola Virus. Everyone of these fools should be replaced. I have no confidence when it comes to our Government or Leaders telling me that they have everything under control. What a joke! Brown on the other hand is so confident that he will win the election, he is campaigning for other Democrats looking to get reelected. He thinks that he is the second coming of "Christ" and the evil Republicans will be banished from our borders. If I had my dream of wildest dreams come true, he will loose the election, his "Crazy Train" will be derailed and he will be forced out of public service for eternity! Now the harsh reality. Brown will be reelected, along with all the "Trash" that has been ruining the California economy for a long, long, time. We will continue to see jobs lost, money wasted on ridiculous schemes such as the "Bullet Train", which will not travel any faster than a normal train. The money that you would have to spend to travel with your family on this joke is unreal. You have to get a taxi to the station, then lug you bags and kids, then on the other end you will have to get a taxi or rent a car to get to your accommodations. Then if you decide to venture out, rent a car, call family, get a taxi. In reality, how much time is a person in today's high speed world ready to waste on this absurd venture. I think it is time to dismantle our current government on all levels and start fresh! Call Me!!!!!!!!!!!!
