**FROM THE EDITOR!  
 "UNSPOKEN THOUGHTS"**  
 I had to shake my head on this one! Governor Brown has signed into law and the rest of the Idiots in Sacramento have embraced it! What you might ask? I know that there are individuals out there that are going to scream and holler about what a Bigot and Racist I am. Sacramento has spent our hard earned tax dollars to open more DMV offices, they call them driver license issuing offices, to handle the large number of "Wet Backs", wait I can't say that anymore, "Illegal Aliens", wait I can't say that anymore, I mean undocumented immigrants, to issue them driver licenses. I have seen the ads on TV, I am not sold, about how wonderful it will be. I never hear about the auto insurance they will have to carry? If you are here illegally, are your really going to get insurance, pay taxes, and contribute to the California economy? They have said that the "Illegal's" will have health insurance. I bet that if you stand in line in one of the "New Offices" that issue these driver licenses, they will be treating the "Illegal's" with care and respect. They will bend over backwards to insure that they get the best service and assistance in securing their license. Now in the real world, walk in to any DMV as a legal citizen of our country and see how you are treated. You will stand in long lines, watch other people fidget, and then when you think it is your turn, the DMV worker will put up the closed sign on their station and smirk while the go to lunch or take a break. After all, why should they treat you with respect. Our own President treats our citizens like old door mats. I am so disgusted with the in your face corruption that I want to "Blow Chow" in a paper bag, box it, and then send it special delivery through FedEx or UPS to the politicians in Sacramento and Washington D.C.. When are the working people going to put their foot down and hold them accountable. If you haven't heard, Charlie Manson is about to get married to a 26 year old "Space Case". Why are we allowing any of the insanity to continue? The citizens have lost their nerve or will to stand up and speak out. I for one don't think that I will stand in line anytime soon and go quietly into the night. I think that the people who have come here through legal channels have just had government piss in their hats! CALL ME!
