IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
 I would like to wish all of our readers a "Happy Thanksgiving"!
 The year is nearing an end and we are getting ready for a new look at life. The headlines are focused on the trouble that has been brewing in Ferguson, Mo.. The "New Black Panthers" and the "Klu Klux Klan" are settling in and waiting for the "Grand Jury" to issue their decision. Either way, the citizens in that town are screwed, with a Capitol "S". There are rumors that depending on what is decided, that all "Hell" will break loose in most of our major cities across the country. I don't think that loss of life under any circumstance is easy for families to deal with. I have a question for the media, "Who's Ass Are They Kissing"? They show the high school graduation picture of the young man who was killed, but in all fairness, why don't they also post beside it a picture of the same young man choking the shop owner while stealing the box of cigars? Now a box of cigars is not worth that of a human life, without question. By his behavior, this young man has show that he is a taker and doesn't mind pushing, mistreating and terrorizing the weak. Let's use some common sense when we are looking at the big picture. I am all for justice and fair play. Maybe we should look deeper into the violence that happened after the shooting. Seems to me that the individuals that were looting and burning businesses were just common thugs. These thugs will use any issue they can manipulate to justify their actions. To condemn this action, you will be labeled a racist. That means that it is all the more reason that they should break into your business, loot and burn it to the ground. After all, you had all these riches because you are a bad person. You never had to work hard in your life. You are the bastards that should be punished and held accountable for the actions of a person totally unrelated to you. Obama and Holder might make an appearance in the area. The funniest part of that is the Thugs don't give a damn about any thing Obama and Holder have to say. Obama knows it. Holder knows it. But, in making a feeble attempt at pretending to care, they can smile for the camera and say that they gave it their best shot! CALL ME!!!
