IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

We are now being informed that the Federal Government is investigating the mistreatment of the "Guests at Club Gitmo"! This form of mistreatment should not be a surprise to any of us.

The only reason that we are now being informed is so the Government can claim that it was without their knowledge.

Bush can claim that he was not informed or aware of the brutality that transpired there. It is just more of the same over "Boiled Crap" that the "Scum in Washington, D.C." insist on serving us. I am so tired of hearing their stories of denial that I just want to climb up on a rock and scream. The one thing that

they did get right when they were in such a hurry to push through "Obama Care". We are "Stupid, Dumber than 3 Day Old Mud", and can be taken advantage of like the ignorant children that we are! Johnathan Gruber, architect of the Affordable Health Care Act Saying they passed OBamacare because of "stupid American Voters ... Then Gruber back down because our Government got in his face and scared him. I wonder what they used to intimidate him so he would

get on national TV and apologize. You could see the "Washington Scum" in the background with that smug

look on their faces. I hope that I will have the opportunity some day to have one of these pathetic

little bottom feeders call me out. Why have the American Citizens all of a sudden turned into a "Flock of Sheeple"? We are allowing "Scum" to push our faces in "Sheeet" and then tell us that we must not challenge any of their

decisions. We are not smart enough or wise enough to make these choices. If we stand in line, shut our mouths, do as we are told, one day we will be treated with the

same dignity as the "Illegal's"! We are becoming third class citizens in our own country. When a group of "Scum" objects to the song "White Christmas" during a Christmas tree lighting, Give me a Break! I just want to pour these

walking manure sacks into the toilet and flush them.
 Call Me!!!!
