IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**"FROM THE EDITOR!
 UNSPOKEN THOUGHTS"**

Christmas is only a week away! Time goes by so quickly! I haven't seen the joy and bliss this season as I have in seasons past. The world is being destroyed by "Evil Forces" and there seems to be no end in sight. Jeb Bush is about to put his bid in to run for President. That would be 3 Bush's in office in the last 3 decades. Clinton is playing coy and not showing her hand yet in wether or not she is planning to make a run at it herself. I think she is going to size up the opposition before making her intentions known. We have had the same gene pool in politics for the last 100 years. I hope that we can do better next time round than we did when Obama "Bull Sheeted" his way into office. I will give him credit, Obama did a great job of acting to win over the trust and confidence of the American People. Maybe next time we will be smarter and wiser and get it right. Terrorist attack little children in school, police are stepping on toes when dealing with individuals of color. We are without a doubt losing our minds at a faster pace than can be imagined. I hope that everyone has a wonderful Christmas and New Year. We as a Nation need to remember we are on the same side. We are the ones that should be deciding our future. I hope that we are able to unite and strengthen our resolve to end the on going "Crap" in, not only Washington, D.C., but in the State, County and City Governments. On the bright side, fuel prices are falling rapidly. On the dark side, Brown is going to add the extra fee to a gallon of gasoline come January 1st. That man is lower than the most detestable scum that has ever walked the earth. His pompous attitude is what aggravates me the most. Over the years he has become more of a narcissist than even Obama. I do have a wish for all my fellow Americans this year. Peace, prosperity and success in all your dreams and endeavors. May every one enjoy their freedom as our fore fathers intended. I will leave you with this one thought. If you agree with my thoughts or not, I will defend your right to have a different perspective in life than my own. That is what made out Nation great. I hope that is also what will save us from the trend that seems to be growing stronger every day! CALL ME!!!
