"UNSPOKEN THOUGHTS"**

Welcome back from the Christmas Rush! Now to get New Year's out of the way!! I have to say that it was a nice surprise to hear "Merry Christmas" in TV commercials. At the local stores the clerks and tellers were also wishing "A Merry Christmas" to customers! For a moment I was wondering if I had hit the eggnog a little on the heavy side. It seems that more and more Citizens and Businesses have gotten to the point that they are fed up with all the ridiculous pressure to be "Politically Correct"! Maybe it is a sign that the people are ready to put a foot down and demand that "Big Government" back the "Hell Off"! I personally don't think that I need "Government" putting their nose into every moment of my day. Maybe, just maybe the job market might improve in the next couple of months. With all the "Fertilizer" that comes out of the mouths of our great elected leaders we could maybe get a good crop of job growth. Then again, I might just be having a delayed "Flash Back" from the "1960's"! I still believe that if you can remember the "60's", you weren't there!! I personally hope that in the next twelve months I will have nothing but good things to say about the "Obama" administration and our wonderful Government in general. I am still a bit confused on the issue about the Patriarch of "Duck Dynasty" and his religious beliefs. If it is ok for Miley Cyrus to fondle herself on TV and we accept that as normal behavior. Just how far down the toilet are we when a man in a magazine interview gets chastised for having morals and knows what is truly important in his life and his family's? It is his right to his belief! **CALL ME!!**
