**FROM THE EDITOR!  
"UNSPOKEN THOUGHTS"**

Well now that things are getting back to normal we can all sigh a breath of relief! On the news in the last few days we are hearing about all the attacks in Iraq. Since we pulled our troops out that is not a surprise! It seems that since Bush chose to get rid of Saddam Hussein the door opened and some really "Bad Guys" are taking advantage of it. When Hussein was alive he kept the Mid East on it's toes. If you stepped out of line he planted a boot on you. I'm not saying that he was anything other than a cruel dictator, but things were much quieter when he was in charge! Afghanistan will do the same thing when we pull troops from their country. So no surprise there either. The Government is back to work, for what ever that means. All the B.S. about how the economy has grown makes me want to spit nails. In the last 3 weeks I personally know of 4 small businesses that were forced to close their doors. Obama care is another sore point with me. I know of several individuals that have illnesses that are chronic. Now with their insurance plans that took care of them canceled and the new program in place they have 2 choices. 1st is to do the right thing and die, 2nd is to sell everything they own and file BK. It is sad to think of all the years that people work and save just to see all of it go down the toilet! Yet, we do nothing. We don't demand that elected "Officials" (Politician Bastards that they are) have to endure the same hardships that they impose on the citizens of our great nation. We have truly been lied to and stolen from. No one seems to want to say that out loud. News Media is as corrupt as the system they serve. Call Me!
