**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

Look out! A "Pasty Little White Kid" goes "Gangster"! I have to laugh when I see the pictures of Justin Beiber in his booking photo in Florida. I really feel sorry for this individual. When you look at the booking photo with a little eyeliner and lip gloss he could pass for Miley Cyrus. The newest show to hit reality TV, Hollywood Hill Billie's! What in the world has happened to American Citizens to get them to accept this "Crap" as entertainment? I guess many of you are wondering why I did not cover the State of the Union address by our esteemed leader Obama. The way I see it, at this point in time, once you hear one lie after another you just really don't want anymore of your time wasted. I was actually born at night, but, it wasn't last night. I think I would rather have my private parts caught in a "Bear Trap" than to have to look at his pompous face one more time on TV. We are not getting any closer to having a solution to our homeless and jobless citizens. We are going to feel the pain for many decades to come. I won't blame it all on Obama. He had a mess to deal with when he was first elected to office 5 years ago. My issue is running around doing fund raisers, vacations in Hawaii and bowing humbly to foreign leaders makes his whole legacy he will leave behind the biggest joke in the 200 year plus history of our country. The next time, I will personally take interest in anything Obama has to say will be his farewell speech when he leaves office. I will wait and see who decides to step forward to run for the highest office in the nation to replace this clown. Hope it isn't Hillary!
