PETS

IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

Benefits related to Agriculture applications.
 Converts mineral salts, helps reduce salt, reduced fertilizer usage, wetter water transports fertilizer more efficiently. Produces free ions. Chelates iron. Suppresses root rot. Enhances plant metabolism and growth. Easily serviced. Removes Calcite build-up. Decreases water droplet tension. Self energized system. NO hazardous materials or chemicals. Prevents clogged dripper, sprinkler and mister lines.

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

Rand Paul announced that he is going to run for President!!! His father Ron Paul tried many times, but since he is not a very handsome man or well spoken he never had a chance. Besides, we like to elect good looking, bottom feeders to run the country into the ground and allow scum to empty our pockets and take away personal property and wealth. Like Cruz, Paul also feels that the only way to save our country is to follow the Constitution and the Bill of Rights to the letter. This is not a popular stance with the Degenerate Scum that currently hold office. They keep getting reelected with the promise to keep the welfare checks and give a ways rolling in. The working class is out numbered by the people in line for the free stuff! I personally think that I am tired of working long hours and seeing little in return for the effort. Now I know that this will sit wrong with some of the bleeding heart liberals, but I don't care. If you feel that strongly about the free programs and the special benefits that are handed out, by all means sell your property, sign over your paychecks and let the trash move in with you. I have a great idea, they can share the bedroom with your kids! The price of gasoline is starting to come down again (never should have gone up) just to give us a glimmer of hope that we will still have a shot at that weekend vacation to Pacoima! If you are really lucky, you might venture as far as Palm Springs! Does anyone in their right minds think that the RETARDS (I know I will catch grief over that one) in office really give a damn about you or your family. Criminals have their rights, Minority Groups have their rights, and you have the right to stand in line, suck it up and keep your F***ing Mouth Shut. I wish I could get past the anger that rages in me and should rage in every American Citizen. We have been sold out. The only thing that has not happened yet is for Hilary Clinton to put the final touch on the Farewell to Freedom Gala if she is elected. Call Me! or email: editornickelshopper@aol.com

I would like to hear your thoughts 760-298-0902
