Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. **FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

I would like to give a shout out and thanks to David who called in this last week! In answer to your question, I would have returned your call if you number wasn't blocked! Now on to the National Scene. Mark Rubio from Florida has announced that he also will be putting his bid in for the Republican Presidential nomination. I think that the Nation might just have a chance. Even Jeb Bush might not be a bad choice (well maybe). So the list is growing. We have Rand Paul, Ted Cruz, Mark Rubio and last on my list, but still has the chance to win my support, Jeb Bush. These men at this point seem to be men of honor. They don't seem to march to the tune that Washington D. C. has had us dancing to for many decades. I am starting to think that there will be a brighter future for our country and citizens. So far, thank God, the only Democrat that is barking about wanting the number one seat in the Nation is Hillary Clinton. And yes, I did use the phrase "Barking". That "Mud Puppy" needs to crawl back to the mud hole where she was hatched. I don't know how she can face people without shame. She did not do a good job running her household, in office as a Senator, as Secretary of State. Now she wants to further her agenda with completing her goal of turning our Nation into a piece of Socialist Crap. If we are stupid enough to let that happen then so be it. I have several options that I can exercise when the proverbial "Sheet Hits The Fan"! I hope that you have also considered your options and have a way out for your families and loved ones. Obama has his head so far up his ass that he has lost touch with reality. He will be financially set for the rest of his life. The bright side is, once he is out of office in less than 2 year, all his crap policies can be undone. His health care program is a substandard joke. If it were that great, why don't all the politicians get on board and sign up. Lead the citizens to that great healthcare unit in the sky!
