**FROM THE EDITOR!  
"UNSPOKEN THOUGHTS"**

Pain at the pump! In the last 6 days I have seen the price of gasoline rise .25 to .30 cents a gallon. No where else in the country, just here in California. When are the Sheeple in this State going to raise hell and hold the State Government and the Oil Companies accountable. I personally am tired of the policy of only "Our Special Winter and Sumer Blends" are acceptable. We get screwed by the electric company, water company. Our cities, towns and counties climb on board wanting there share of the booty. Now, the Memorial Day Weekend is ony 4 weeks away, we could see \$4.00 a gallon at the pump. Then add in the additional gasoline tax that Brown will put in place and there goes that dream of a Summer Vacation. If everyone actually got the phone numbers for everyone in the State Senate and Assembly, even that joke of a Governor Moon Beam Brown and raised hell and started putting a recall action against every single one of them we might have a chance. The "Trash" that gets elected, now feel they are part of the new "Royalty Class". Never, at any point in running for office, did they have your rights and safeguards in mind. They only want to preen like peacocks, strut their stuff and plan the next lie they will tell to get reelected. Almost sounds like a scam pulled from the Obama Play Book! There is no reason in the world that this is allowed to continue. We have been screwed over and lied to since 9-11. The Patriot Act is another strike against individual rights and freedom. Why is it, the only time anyone takes to the streets to make a point it is over a killing? We are slowly being suffocated and eventually will wither and die. The Government could care less. They feel that the younger generation coming up is a better bet to control. Obama Care is exactly what it was claimed to be. A death sentence for the elderly. You have lived too long to be of any use. No more medication to be wasted on you. You are not needed. You take up space. Hurry up and die!
