PETS

IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**FROM "KCAA 1050 am!"
"The Poorman's Perspective"**

**ONLY \$20 GETS YOU AN
AD ON MY RADIO SHOW.
THIS WEEK ONLY!
CALL THE POORMAN
949-870-6155**

I smoked marijuana. Oh no!

A week ago Friday I got stoned for the 1st time in 5 years, and only the 3rd time in 15 years. I did this live on my radio show. Why? My guests, the band Kottonmouth Kings, were smoking on the air the entire show. There was a thick green cloud. This happened near the conclusion of the program when Brad X, the band leader, said "Come on, Poorman, take a hit!" I thought it would be cool to the audience of stoners if I did. The band has more than 1 million followers on Facebook. BTW, I really liked it! I used to get high all the time when I was younger. The point is I GOT STONED AND AM NOW ADMITTING THIS. How refreshing! My Perspective. I can't stand celebrities who aren't honest about how they party. You only hear them being interviewed about their successful rehab. "I used to do drugs but I'm sober now", blah, blah, blah. Just once, I want to hear them tell the truth "I love smoking weed, I occasionally snort a line of blow, I got blasted yesterday, had way too many drinks, etc..."

"I guarantee you won't ever hear it."

"Meet Penelope!"

My Inspiration

Caitlyn Jenner

Hot! I know. I hope you all realize my inner woman has been screaming to escape for years. Finally, my radio career will get hot again. Meet the new she/me #Penelope! I finally feel so free! Caitlyn Jenner thank you for blazing our trail. I love you!

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

There was proof this week that the human race is tumbling down the evolutionary ladder at an every increasing rate. When the FBI investigates bribes involving which country is awarded the next big world soccer match, rather than apprehend the terrorist that are planning our down fall, you have me convinced! When Bruce Jenner and the Kardashian Trash take the evening news spot light. When 6 policemen in Baltimore, (3 Black Officers involved) have a Black man die while in their custody the Blacks in Baltimore riot. Burning Black owned business. 33% of Baltimore's Police Department is Black. Baltimore has a Black Female Mayor. The Maryland State Attorney General's office sent a Black Female Attorney to the scene. We have a Black Female U.S. Attorney General investigating the incident, who was appointed by the first Black President of the United States. The out come of the investigation is that Racism was the culprit! Am I the only one who has a hard time getting my head around this one? George Bush left a mess behind when he left the White House. Barrack Obama took a pile of dung and made it even more repulsive. That is quite a feat in itself. It seems that there is no peace to be had with electing a Black President to office. Now it is time for Whites to pay for the sins of their great grand parents. Ben Affleck, had the media with hold the fact that his ancestors were slave owners. I am not sure why he feels he needs to have remorse on an issue that happened over a century ago. He had no knowledge of this family history. I think that this is one thing that everyone should, but probably won't, agree to. I have never owned a slave, nor met one. You have never been a slave or met one. Why do some people continue to hide behind this? Plain and simple. It is an excuse to never have a job. Never be self supporting. Never have to own up to the fact that drinking and drugs are your happy thought. Why hold down a job, when I can make you take the blame for me being a loser who is accomplished at playing the system!
