PETS

IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

My Brain is like a runny omelette!

This is 1 of those weeks where I'm honestly not sure what my perspective is. So much sh%# is flying that my brain feels like a runny omelette. Do you ever get that way? I'm not referring to the day after a night of partying either. That's a whole different omelette! If you want to get a better understanding of why my brain is scrambled, visit my Facebook page or listen to the Podcast of Tuesday's radio show. I can't even believe what's going on. Indescribable! Reaction?

**KCAA 1050 AM, Mon -Fri
2:00 pm to 3:00 pm**

Now to more important things. I have challenged Carl, our fearless owner of The Nickel Shopper to come on my radio show this Friday as he always does, and find me something that you can actually buy for a nickel! Can Carl do it? Or will he go down in Flames like a high desert Flash Fire? BTW, is bubble gum a nickel or is it 10 cents now? And is there anything that you can get for a penny anymore? So you Carl for the Nickel Challenge brought to you by, of course, The Nickel Shopper this Friday 2-3 PM on KCAA AM 1050 and online at www.KCAAradio.com.

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

I had to hold my breath and count to ten this last week. I thought that the politicians could not get any more ridiculous in this state. Then low and behold, they went even farther than I could imagine. Can you believe that they want to amend the state's constitution to eliminate the word Governor. They now want to call this office, President! They want to be treated with the respect of any other country in the world. They want to fly the California State Flag above the American Flag! Since the California economy is ranked 8th or 9th in the world, these idiots think that they deserve the same consideration as any sovereign nation. Just think, we were stupid enough to vote these morons into office. Well the job has either gone to their heads, or some one has smoked a little to much crack! Why not call the position KING! In Brown's case, Queen would probably be more in order. That is just my own opinion. So don't go getting your panties in a bunch. I think that we need to reevaluate our leaders. In a real crisis, I don't want any of these fools making choices for me, especially if it comes down to life or death. These idiots (I use that term because what I would like to write would offend some one, I am sure) are not capable of making anything other than noise. We are so close to a total financial collapse that it is not some thing to joke about. As I have stated in the past, the only thing that California has brought to the world, is "SEX, DRUGS, ROCK-N-ROLL"! These Trolls are so out of touch with reality it scares me. With all the bribes that the politicians have accepted to their campaign funds, they are going to give away the farm to unions and illegal aliens. They opened up special D.M.V. offices to accommodate the criminals that now have better benefits and rights than legal citizens. If this what the citizens of this state are willing to endure, then so be it. Have we really become so involved with Jenner and the Kardashian's that we no longer have the will to strike out at the corrupt and drug crazed politicians? I am glad that I am on the final run in my life. I feel sorry for the mess that we leave behind!
