IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**ONLY \$20 GETS YOU AN
AD ON MY RADIO SHOW.
THIS WEEK ONLY!
CALL THE POORMAN
949-870-6155**

If you got ripped off in your business or personal life in a major way, how would you handle the situation? Suppose close friends turn on you, tell you to move on, because fighting this is extremely unpopular. Even your family tells you to move on. Imagine you don't resolve the issue for 23 years! If it was you and your career or cause, how would you handle it?

This is happening to me. I've decided to stand strong, knowing someday I'll be vindicated. Eventually, everybody will understand. If you feel strongly about what you're doing, don't give in! Fight for what you believe. That's my perspective. In case you're curious, below are the facts in my case.

Almost 30 years ago, I created a radio show and name entitled "Loveline" that I aired on KROQ FM radio in Los Angeles. Basically, it was a cutting edge concept whereby people who had love problems would call their friends and get advice from friendly FM DJs, in my case as host, and celebrity guest 'love doctors'. The show was a hit from day 1, and always had monster #1 ratings. A year into the once a week program in 1983, I realized we needed to add an MD to the 'Friendly Mix' to answer people's questions whenever they became medical and technical. I discovered Dr. Drew Pinsky at a friend's party and brought him aboard. We became best friends, co hosted the show together for 10 years, were in each other's weddings, and I introduced him to his wife who at the time was the head KROQ Bikini Girl (another group I created). In 1993, KROQ removed me from the show when we were #1 in the market after we had gone to 5 nights a week. Dr. Drew said he would stick by me and didn't. He has gone on to great success, and I'm struggling to find work. I sued the station and a number of people including Drew and some big people at KROQ. I lost in a summary judgement, basically being termed a 'work for hire'. You can read the federal case Trenton v. Infinity Broadcasting. The owner of the station at the time I created Loveline, Ken Roberts, said the show was always my property. We have that in a written interrogatory. The show continues to air, now in many markets around the country. I've always felt I had poor representation, and still feel I have an ownership case. My name has pretty well been smeared ever since the lawsuit, and Dr. Drew goes on as if I didn't ever exist still doing my show.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

I would like to give a shout out to Dianne who called in! I look forward to talking with you about the steps we need to take to get the state and country back on track. Politicians need, from time to time, to be reminded who serves who in our Democratic System. It is funny as hell this week when Donald (bad hair) Trump stated that if he and Oprah (another closet racist) teamed up they could win the Presidential election. My first question is what kind of mind altering drugs are they using? Second question, we already have a clown running around in the Presidential Clown Car, why would we want another dose? If you pay attention, you will see that the system is getting ready to Melt Down. Brown, another Clown College drop out, was proud as punch to announce that the Democrat's passed a One Hundred and Six Billion Dollar Budget! They even claim that in this budget some of the outstanding debts could even get paid!

The only problem that I can see is the money just to pay the pensions is around Five Hundred Billion Dollars and rising! Again, where are these people scoring their drugs? The NAACP had a woman that was in charge for years in one of their chapters, and no one figured out that she was white? Are you kidding me? It is just getting crazier and crazier every day! Next thing you know, they will be telling us they have a new way to pay for road repair!

Oh, that's right, they do! Instead of using the funds that were raised through our over charged gasoline tax, they plan to create a new measure to fund the greatly needed repairs. Am I the only one that thinks the "Bastards" need to be physically thrown out of office and then put on trial? The "Sheeple" will just turn to which ever cable or satellite channel that will update you on what the Kardashian's are doing. Maybe for a change we could have some one in the News Media, grow a pair and actually tell the real story about the "State of Our Union"! The crap reporters are afraid to ask the real questions. They stand in line and submit a list to see which questions will be allowed to be asked from which ever S.O.B. is in the spotlight this week! What a circle jerk!

Call Me! or email: editornickelshopper@aol.com
