Personalized in home pet care  
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**Richard Blade former cohost  
with the Poorman on KROQ.  
Another ASS that became an  
American Citizen.**

(The above quote is from the editor of  
The Nickel Shopper not Poorman.)

This guy, Richard Blade, who used to cohost the Morning Radio Show with me at KROQ, are in a dispute. Not my doing. If you read my perspective from last week, he's upset at the way I've dealt with Dr. Drew who stole the show I created and hosted for 10 years *Loveline*. There are two other topics that he also disagrees with that I posted about on my Facebook @Jim Poorman Trenton, one of which is a statement I made about the situation in South Carolina. I referred to it as the actions of one extremely deranged, sick individual. He didn't agree. The way he handles all these disagreements is to go on my personal Facebook page and hammer my ass (excuse my French) and basically trash me. Then his legions of groupies pile on and trash me as well including pretty much everybody I've ever worked with in radio. There are plenty of people who pile on. He has 20,000 Followers on his FB Fan page @Richard Blade Official Page.

The point of this week's perspective is *can't we all agree to disagree?* So my viewpoint is different than his. I let him post on my page and trash me along with 100s of others. He's an excellent writer and very persuasive, but he has a huge FLAW. That is, he only sees his side as being right. He's an Englishman who achieved American citizenship. He should know this is a country where *Freedom Of Speech* rules supreme. The main point is Everybody's Entitled To Their Opinion. You don't have to agree, express that fact, but you should at least respect a different point of view. I welcome everybody's opinion. Even if you don't like what somebody has to say, they have as much a right to their opinion as you do. That's The Poorman's Perspective!

**FROM THE EDITOR!  
"UNSPOKEN THOUGHTS"**

This week we have a terrible fire burning in the San Bernardino mountain range. It started at 100 acres, now it has consumed over 17,000 acres. I realize that the fire started around 3:00 pm, but with the draught, why did it take so long for them to put an air assault in place. They sent the water tankers around 7 or 8:00 am the next morning. A little slow on that response. The State has issued 9,000 notices to farmers to cut back on their water use. Only 2,800 have responded to the notice. I suspect that it is the larger operations that are responding. Everyone is up in arms over the deeded water rights that the growers have. I, a few year ago, had a ranch in Newberry Springs. I lost my deeded water rights to the Mojave Water Agency, they stole my water from me. The North part of the ranch had the Mojave River flowing under ground at a depth of around 15 to 20 feet. Since I was not using the amount of water that they said was necessary to maintain my ownership, the State of California stole my water and never even KISSED ME! The water that was taken from me and other ranchers or farmers was then sold to other areas of California. See, if you steal you go to jail, if the government steals, it is under the lie of doing so for the greater good. I am so tired of hearing politicians flap their gums together that I just want to throw up. These people who control our lives on a daily basis, are not smart enough to pour piss out of a boot if I put the instructions on the heel. I wonder who dresses them every morning before they leave for work. Do they have a special assistant to wipe them when the are done relieving themselves? I hope that the contact that was made with the State Assembly last week works out. I hope that this person will have the guts it takes to stand up and inform all the others in the room that the free ride has ended. They need to remember that they are not royalty. They are employees of the people that put them in office. I know it might be a delusional dream on my part, that an elected official will actually come forward and champion for the people!
