**ONLY \$20 GETS YOU AN

THIS WEEK ONLY!
CALL THE POORMAN
949-870-6155**

Today's Poorman's Perspective is in honor of the Nickel Shopper!!! What can you still get for a nickel or less? Certainly a copy of The Nickel Shopper. It's always freeeeeeee!!!!!! But there's more!!!!!! Here Goes!!!!!!

1. Gambling. Nickel Slot Machines In Vegas.
 2. Penny Stocks. Make a fortune. Some stocks sell for less than a penny. A nickel buys you 8 shares of TBC Global News Network (TGLN) . This is a television production company and formerly a video game and DVD rental outfit titled GameZnFlix. In March 2010 the Company acquired Sterling Yacht Sales . Wall Street seems to be interested in TBC Global News judged by the daily volume, however, with over 5 million shares of this penny stock traded daily in the last two weeks . But volume aside, the company's miniscule market cap of about \$130,000 doesn't inspire confidence , e specially if you're in the yacht business. But hey, 8 shares for a nickel. Go for it!
 3. Plastic Silverware. Here's your tip. If you go to Ralph's Supermarket, go to the Salad Bar, and grab as many packets of forks, knives, and spoons as you'd like. They're freeeeeeee! I haven't bought silverware in years!
 4. Sugar. If you go to any Starbucks, grab as many sugar in the raw and regular sugar packets as you need. It's freeeeeeeeeeee!!!!!! Even if you don't buy anything in Starbucks, pretend you're a customer. They too busy to check up on you. You'll never have to buy sugar again.
 5. Condiments. Ketchup, Mustard, Relish, and Hot Sauce are free. Most fast food restaurants allow you to grab as many condiments for freeeeeeee as you need. At the Original Tommy's Hamburgers, they even have free jalapeños.
- So I don't want to hear anyone ever complain again about the high cost of living. Save those nickels! Oh, and by the way, Carl will be on my radio show Friday with more "Nickel Deals".

**"FROM THE EDITOR!
UNSPOKEN THOUGHTS"**

The Gay and Lesbian movement has finally got what they wanted, to be legally married! What ever!! Trump is on the hot plate now for his statements regarding the illegal's that have crossed our border. These people are now refered to as immigrants, who cares if the are here without following the rules? If you speak out, you will pay the price! I find that everyday the world is a little sicker and crazier.

Who knows what will happen next. The Middle East is falling apart, do to the lies told by Rumsfeld to enable George W. Bush ot start a war with no end in sight. We are not safe. The government spies on us daily under the cover story that they are looking out for us. The

Patriot Act, where you can be arrested and held without being charged, no attorney call, no release date, was George W. Bush's "BASTARD CHILD"! We have become so gullible that we walk around with our minds in the clouds and our heads up our Ass! Is anyone else having trouble with this being acceptable? The gasoline prices have come down, but keep in mind that we are still paying around a \$1.40 higher than we were 6 months ago! The people that are playing games with your life, safety and well being are laughing all the way to the bank. I think that now there are more or less 16 Republican candidates now running for the top position in the country. Why is it that we are afraid to speak the truth? Why is it that we hide our true thoughts from our friends, so-workers, families? When I think about all the changes that are going on and no one rises up to defend us, it make me sick to my stomach. The Left Liberal Trash want you to feel guilty for being a success. They want you to give all that you worked for to bottom feeders that lay on their couches, watch Oprah Re-Runs and get drunk our high!

Ron Paul is right, the next financial meltdown will cost you everything that you have worked for. You will be in a bread or soup line begging for enough food to feed your family for a day. You will be treated like a criminal if you voice your opinion in public. You will suffer the wrath of the great grand lizard OBAMA for being ungrateful. You should open your arms, welcome trash into your home and be greateful if they don't shoot you on the spot. Obamacare is what they called it. A death sentence!!
