**ONLY \$20 GETS YOU AN

THIS WEEK ONLY!  
CALL THE POORMAN  
949-870-6155**

**Oprah, Carl, And Me The Poorman's Perspective**

I know how much the editor of The Nickel Shopper, Carl, loves Oprah! Well, Carl, this article's for you! The greatest moment in my entertainment career occurred early on when I was asked by Oprah live on my radio show to be a guest on her show along with all the other top shock jocks in America. I was so new vows when I went on there thinking "I gotta be good, gotta be good...if I'm good this could make my career". This was at a time when. believe it or not, there were only 3 talk shows on TV, Oprah, Phil Donahue, and 'gulp' yes Giraldo! Well, I was so nervous it didn't make my career. But I did do 1 great thing. When Oprah was talking to all the Shock Jocks, every one of them was married except, you guessed it, ME. So, I held up a sign live on her show with a 25 Share that had my home phone number on it. I said "I'm single, and any girls who think I'm cute, phone me". My phone did not stop ringing for seven straight weeks. It was insane! I'll never forget a pair of girls from North Carolina wanted to fly me there for a threesome, others wanted to lick me head to toe, some people thought I was an idiot, you name it.

In honor of that moment, and to help Carl become more at 1 with Oprah, I will recreate that moment, and give out my home phone number on...READY...The Nickel Shopper!!!!!!!!!!!!!!!!!!!!!! Here it is 949 870 6155 Yes, I'm single again, and any girls in the high desert who think I'm cute, phone me". Next week, I'll let you guys know if I get any dates. Wouldn't that be something If I meet my dream woman in The Nickel Shopper! Thank you Carl, thank you Oprah!

BTW, in this Pic, Oprah, Myself with mustache (I still have one, weird in this other Pic), and legendary DJ Tom Joyner. Google him, he just won a BET Award this year.

## FROM THE EDITOR! "UNSPOKEN THOUGHTS"

By now, I'm sure, everyone is aware of the "SCREWING AT THE PUMP" we are getting! The politicians have allowed the Oil Companies in California to go wild with the prices. We are paying around \$2.00 more per gallon than 7 months ago. Do you remember all the hype about how we would be seeing gasoline under \$2.00 per gallon for this summer? The Oil Refineries have an excellent track record of creating shortages. Every time you turn around there is another reason why we are going to justify stealing your hard earned money at the pump. A reasonable person would think that with all the games that are being played, that the Attorney General ( Joke Harris), or Governor (Imbecile Brown) would demand a complete investigation of this fraud. Brown is spending his time trying to remember what year we are in, Harris is to involved in raising money to run for senate. The economy was starting to pickup while the price if fuel was low. Now with the ever climbing price (every few days) the businesses are going to feel the bite. I would think that everyone who drives would want a full accounting of and justification for this action. I don't believe that anyone in their right mind thinks that this is just business as usual. We are so accustomed to being lied to we act like we don't really care about the actions that are stealing our money. We should get on the phone 24/7 and call the governor's office and that of the Attorney General's. Let Kamala Harris know that if she is expecting to win the Senate seat, she needs to actually do her job and launch an investigation into these ridiculous prices on gasoline.

Governor Moon Beams phone number is 916-445-2841.

Kamala Harris doesn't have a direct number for the Attorney General's Office. Don't waist your time trying to reach her at her website kamalaharris.org she is only looking for donations there. The best you can do is leave her a message on her Facebook page. That is what I did, there is also a page for Ca. Attorney General.

Flood both these "Idiots" with your outrage and make them hold the oil companies accountable for their theft. Making a profit is reasonable, this is highway robbery!
