IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**"FROM THE EDITOR!
UNSPOKEN THOUGHTS"**

What can you say about Donald Trump? The man definitely knows how to stir it up! If you agree with him or not, you never have to guess what is on his mind. Some of the Politicians and all of the Media are outraged by his comments as of late! If everyone were to be quite honest, he is only voicing what most of America thinks. I know that this statement will have people up in arms, call me a bigot and a racist. I defend your right to do so. I am actually a nationalist! I am not a liberal when it comes down to me paying the bill for a bunch of crap that the Politicians say is necessary! The things that they deem necessary usually involves the working man or woman to give up and contribute more to programs that they or their kids will never qualify for! The reason the Media is against him is they realize that he will not stand still and watch them spout their B.S. and in doing so brainwash the citizens to do the bidding of the corrupt Bastards that are destroying our nation. He will not allow anymore B.S. from the House or Senate when it comes to spending more than is taken in. When the Government says they have passed a balanced budget, I wonder where the hell that came from? We are 16 Trillion Dollars in the whole and climbing. We have added 8 Trillion Dollars in just the last 10 years. That amount is staggering! That is 16% of the total world debt. There is no way in hell that will ever be paid off. The Federal Reserve Bank is counting on just that. This private bank prints money to loan us and will continue to do so unless someone like Trump puts an end to it. At one point in time when I was growing up the currency was printed only by the U.S. Treasury Department. That is a thing of the past. The Chinese are in position to take over being the currency that the world will embrace. After all, 3 Trillion Dollars of our debt is the loan that China gave to us under George W. Bush to start the war in Iraq. I still have the question in mind as to what we put up as collateral? I personally think that our government put up what used to be our public lands. They were taken from us in 1977 when that joke of a President, Peanut Face Carter did away with the Homestead Act. It only took 200 years for the corrupt individuals to figure out how to plunder a nation and get away with it. Then they have the nerve to point the finger at Bernie Madoff! Go figure!
