IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

"The Drunkman In Action!"

Hosting a Concert Drunk: Right or Wrong?

On July 24th, I hosted the Berlin and The Forty Nineteens Concert at Wiens Family Cellars Winery in Temecula. I'm not much of a drinker, but when I host gigs, it's fun to "get a buzz on". Before I introduced the 4019s, I held an onstage wine chugging contest between myself and one of the concert goers. I got "smoked"; very disappointing considering usually I win chugoffs. My open throat swallowing technique is amazing. Don't assume anything please.

The Concert was an amazing success. More than 1000 people showed up. My onstage intros were well received. I got the crowd really fired up! It was off stage that apparently there were some criticisms, most notably made by Huntington Henry my surf reporter on the radio show. He said "Hey guy, you really shouldn't drink when you're hosting a gig. You didn't come off very well." Your drunk host (Me) gets into a little trouble in the Mens (or was it Women's) Restroom at the Concert. Then some guy tells me that I'm a joke and offers to buy me a drink. Rather than make a decision on my public drunkenness based on this article, I have a new Youtube Channel entitled 'Adventure With Poorman'. Here's the link to our 1st video which captures my drunkenness at the concert. Copy and Paste please.

Then you decide how I acted. <https://www.youtube.com/watch?v=JftZacfmuoM&feature=youtu.be>

The main point is this concert was at a Winery. Why shouldn't I drink and have fun? If I was hosting the Academy Awards, it would be a totally different mindset. We live in such a politically correct, judgmental society. Yes, I was a bit sloppy drunk as you can see in the video. But then...so what and cheers! Until we do it again Friday night, August 28th at Skosh Monahan's in Costa Mesa for Orange County's Biggest End Of Summer Beach Party! I'll be buying and again heavily consuming drinks...Oh No!!!!!!!!!!!! BTW, you're all invited!

FROM THE EDITOR! "UNSPOKEN THOUGHTS"

Hello, is there anybody in there? Just nod your head, I might see it in your eyes! I swear the more I look around the more convinced I am that the world is being over run with Zombies! There is no doubt that the I. Q. is not much higher than a basket full of potatoes Well you have to admit that there is a correlation in that statement, even potatoes have eyes that stare at you with a blank look. Is there even a slight chance that the few individuals that have not been infected can save the nation? I know that some will laugh, and that is a good sign, you are not infected yet! I wish that I could turn on the news and actually hear the real news. Not the version that we are now being bombarded with! We hear all about sex changes. How big is Kim Kardashian's butt. How they have to write a special law so they can shoot or override a signal to bring down a drone without having to pay the owner! Political and social correctness is without a doubt a sure sign of being infected with the Zombie Virus! When you hear something that is totally absurd, and for a moment you think that it might make sense, get to the doctor or hospital to be checked for the Zombie Virus! This virus is able to take away all common sense. It will have you sitting for hours, debating with your friends where to find the perfect frozen yogurt. You will start looking at your neighbors differently. You will not tolerate them having individual thoughts that are not approved by the thought police. You will do the right thing and turn them in! If you see a couple praying in a public place, you will stand up and holler for the police to take them in for improper behavior. How dare they do that in a public place. What kind of example are they setting for our children? If anyone mentions their belief in God they will be put in a stockade and publicly humiliated for this deed. I know that everything I have written above is a little out there, or is it? The morals and values that once made our country great are being viewed as old fashion or out dated. We need to get with the program. The new age is here. We have to open our minds to a new light that will guide us. We need to embrace the change. If you will not conform, you will have to be dealt with in a stern manor. If you still do not comply, you will just disappear some dark night, and no one will admit to knowing you!
