IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**Here at the DMV! Can't believe the luck!
I am actually a citizen and got good treatment!**

I am at the DMV in Costa Mesa renewing my Drivers License. Torture. The every 4 year routine. I've been waiting an hour, and met a cool dude who told me to write about this experience. A 1 hour wait is actually pretty short. NEWSFLASH: They just called my number, so hold on. I'll update you in a second...

Wow! The DMV is cool. You heard me: **THE DMV IS COOL!!!!!!!** I just got called up to Booth 18. The lady was nice, looked up my record, had me read the eye chart, asked for \$33, and gave me the license renewal. I said "No Written Test"? "No", she said. The whole process took about 2 minutes. Then all I had to do was get my picture taken. That took another 3 minutes. The only bummer is today is a bad hair day. I look like warmed over "Doo Doo". BUT, I'm done!!!!!! What a wonderful, non stressful, hassle free experience. I was fearing the worst. I apologize for flipping you off DMV. You are wonderful. Hugs and kisses! I'll recommend you to all my friends.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

As the price of gasoline slowly falls, we are still getting robbed at the pump. I just heard that the price for a barrel of oil is \$41.90. If you take the time and a little searching on the internet, you will see that at that price per barrel, we should be paying around \$1.75 a gallon at the pump. I did send an email to Gov. Moon Beams office challenging the governments lack of effort to investigate the outrageous prices. I knew that I would not get a reply. We have the best politicians money can buy. The state legislature is debating on creating a new fee or increasing the gasoline tax to cover the necessary repairs on our roads. If they had used the money that was intended for these repairs, instead of using it to pay the union retirement pensions, there would be no need to increase taxes or invent new fees. The only thing that is going to give us any change in the way our state is run, get on your representative and plant a boot. Hold these fools accountable. Pass a law that states that if money is diverted from it's intended purpose, that individual or individuals will be charge with Felony Fraud and do prison time. When I say prison time, I don't mean one of the minimum risk country clubs. Put them in a regular prison and in general po pulation. I am sure that some of the inmates would like to thank them personally for being incarcerated there! There is not one branch of our system in this state that has not become corrupted. Our courts, law enforcement, DMV just to name a few. We don't have a chance with a system that abuses openly it's citizens. If you were here illegally, they will bend over backwards to ensure that you and your's get the best. We opened DMV offices to make it easier for illegal aliens (can't call them that anymore, because it is derogatory) to get a drivers license and insurance. We have a new bill being introduced that will allow illegal individuals to take the bar exam and become licensed to practice law! How lame is that? L. A. is wanting them to vote on issues! What and who do you think they are going to vote for. Number 1, all the free stuff. Number 2, the corrupt politicians will stay in office that sold us out. To mention that fact is not politically or socially correct. Oh well, I guess old ways die hard. I think that in another 15 years we will not have a country. Donald Trump, like him or not, see's the writing on the wall. I hope that you do too!
