### FROM THE EDITOR! "UNSPOKEN THOUGHTS"

Can it get anymore ridiculous? A child is sent home from school with a note explaining that the picture of "Wonder Woman" on her lunch box is the reason. "Wonder Woman" was and is the idol of many a young girl and to be told that she is the symbol of violence is about as absurd as saying "Obama" is a great President!!! I have a new box of "Glass Belly Buttons" just waiting to be installed. Maybe then our so called leaders will be able to see how stupid they are acting! We are allowing these idiots to draw big salaries and retirement benefits. My question is why? The Democrats are running scared, seems that the cat is out of the bag! The individual who is starting to over take Clinton is a self proclaimed "Socialist"! I don't think that the Republicans are going to lose this coming election! Trump has Carson gaining ground in the polls. The more I learn about Dr. Ben Carson, the better I like him. Second choice is the Trumpster! I think that the nation is finally ready for a new name and face in the White House. The Media has blasted the Trumpster for calling it what it is! Clinton is married to a slime bucket, womanizing piece of garbage. One of the women on her campaign is married to Anthony Weiner, who was disgraced publicly for his outrageous behavior. The only thing that you can say about Trump is, "The man has a bad hair day, daily!" I am looking forward to the debates that are coming up. Get your DVD ready, bowl of pop-corn and a cold drink. You thought the "Super Bowl" was an event. Last but not least, there is one more though that tips the "Stupid Scale" to the limit. There is a college that is asking their students and faculty to learn to speak in ways that are gender neutral! They feel that this will help to eliminate hurting individuals feelings and not make anyone uncomfortable. Are they kidding? I hope so! Try to have a simple conversation and not use the words him, her, she, he. I don't know what planet these morons arrived from. Maybe it is just the "Stupid Gene" kicking in stronger than ever. I for one am for removing the warning labels from dangerous products. If this were done, the "Stupid Gene" could be eliminated in a couple of decades! I know that I am asking a lot, but if we look to "Mother Nature" for guidance, these fools would have already done themselves in!
