**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

Hopefully everyone had a safe and great Labor Day Weekend! I wanted to take a moment to thank all the individuals who worked this holiday weekend. These individuals help in a big way to make those last minute items for our Bar-B-Que possible. We get so caught up in the moment with family and friends that we don't always thank the people who, by choice or not, worked. A BIG THANK YOU WORKING PEOPLE!!!!!!!!!!!!!!!!!!!!!!

Even our President worked! He signed another Executive Order while he was on his way to do what ever this Clown does to improve the lives of God knows Who! Kudos to you Mr. President!! May the remainder of your term in office be humble! I have never see anyone be so condescending as this Buffoon. You have managed in your term, as President, to hit an all time low. You have shown through example what not to do in Government policies.

You must have taken your game plan from the California Governments "Play Book"! Yes, the rest of the nation always has an eye on what California Legislators are doing. That way without wasting time and money we in the real world know in advance what won't work and how not to waste tax payer money. The State Bill 350 is a prime example of "Stupid at Work"! They are going to cut gasoline availability, increase taxes, force the public to use crap transportation that won't work and make you buy over priced electric cars. Can you imagine trying to go grocery shopping for your family for a week and carry it home in your arms or ride a bicycle? Maybe we will get lucky and the grocery store will provide home delivery! They can have the Box Boy, Box Girl, I meant to say Box Person, or is it Box Engineer? Oh, to hell with it. I will never get the hang of being Socially or Politically correct! Go Figure! The train has left the station and will not return! The personal rights that have been lost are not coming back. We are subjected to more abuse everyday and don't even realize it. Our childhood heros are now villains. Degenerate idiots have replaced them. The examples that are now being sent to our children would have got you burned at the stake for heresy. Then we wonder why our children are being exploited by Sex Offenders!
God have mercy on us!
