TREVOR'S HAPPY HOUR

WITH LYLE FENIMORE

EVERY FRIDAY 3-4pm www.kcaaradio.com

THIS FRIDAY November 27th on Trevor's Happy Hour we welcome guest RACHEL REENSTRA... There are some people who want to do it all. Few can actually achieve it. One of those special talents who can however, is actress/comedienne/television host Rachel Reenstra. Whether it's with animals, humans, or video game characters, Reenstra has found success in a wide variety of platforms during her career. With her absorbing personality, she currently hosts the Emmy nominated ABC TV show "The Wildlife Docs," - now in its third season - which capitalizes on her adept comedy skills and affection for wildlife to chronicle the on going challenges of veterinarian care at Busch Gardens. It's safe to say that Reenstra is a committed wildlife conservationist who can make you laugh. She infuses her brand of humor into everything she does, whether it's hosting, keeping sharp with her stand-up career, or building a solid portfolio of television sitcom appearances including "Becker," "Still Standing," and "The Naked Truth." On top of that she's starred in dozens of infomercials and movies, voiced characters in video games, and is part of the movement to protect wildlife. As host of that show, Reenstra doesn't solely entertain viewers. She strives to educate them as well. She doesn't shy away from voicing her opinions on animal conservation either, even recently hosting segments of "The Insider" on Cecil the Lion informing on the dual nature of big game hunting in our culture. And with a Master's Degree in Spiritual Psychology, Reenstra has provided life coaching support, written the acclaimed E-book, Get Lucky, and taught classes on how to be a personality-driven television host. To put it simply, Reenstra is a maverick. A relentlessly creative spirit who can't help but share her passions and take us with her on her adventures. She wants to connect her audience with the rest of the world, whether it's teaching viewers about animals, making them laugh on a television show, or doing both at the same time. Call in at 888-909-1050 or Tune in from 3-4pm PST at kcaaradio.com or in the chat room www.trevorshappyhour.com

"The Truth"

By Fred Lundgren
CEO of KCAA Radio

KCAA on FM

It's the season to unite, not divide

On Thanksgiving day, we hosted two dozen family members and friends ranging in age from three months to 91 years old. We reveled in the peaceful character of the event. I was pleasantly surprised that our conservative guests avoided their post-election doomsday predictions. In turn, I avoided any mention of Todd Akin, Paul Ryan, Allen West, the Tea Party, and Mike Morrell, the California Republican Assemblyman who suggested government workers should be shot.

Sadly, since President Obama was reelected, many harsh, irrational and even violent voices have surfaced on radio, television and the Internet. This is a wholesale rejection of our Presidential election process which ignores the founding principals of our republic. In addition, all this talk of secession and rebellion is an insult to those who fought and died on foreign soils to prevent violence from reaching our shores.

Soon, we will celebrate Christmas, and the renewal of hope the season symbolizes. This is a perfect time to embrace the unifying principal of American strength through diversity and ignore the political relics and radicals who attempt to divide us.

Fred Lundgren,
ceo of KCAA Radio

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

I would like to take a moment to wish everyone a "Happy Thanksgiving". I hope that everyone stay safe and is blessed.

In the recent events overseas, the mind set of the people is in shambles. We are fortunate here to have a little better security. Seems the Media is all in Trump's face about his view on registering the refugees from Syria. I don't think that internment camps are the answer, I do think that the new arrivals should be inspected inside out and upside down. Out of 10,000 individuals, it only takes one to bring destruction and death to hundreds. It only takes one mishap to turn a nation into total panic. Clinton is such a pompous jack ass, she will do or say anything to get elected. This woman, in my perspective, has sold her soul to the Devil! Just make sure, if you vote for her next election, that all the cards are on the table. I don't think that I want her in charge of my well being. You have to remember one thing, both Clinton's are only looking after their own interests. When an individual leaves the office of President, they always end up being millionaires, or close to it. Our system rewards the politicians with being above the laws that they wrote for you and I to live by.

Next, the thing that really fried my ass, there will be a rise of 13% in the cost of Medi-care as of January 01, 2016. The Obamacare is something out of science fiction. No one bothered to read the bill before it was passed. We were told that as time passed it would be reviewed and rewritten as sercumstance requiered. Another lie told to us by the corrupt politicians that have sold us out.

On closing, with the end of the year drawing near, I ask all the citizens to think about the last 16 years. We have been sold a bill of goods, by both parties. We have seen our investments lost to big business, scemes that make Bernie Madoff look like Ghandi. We buy into all the B.S. that is spread by our Media. These bastards are also self serving. You can only count on one thing.

"If a Politicians lips are moving, it is probably a lie!"
