# "The Truth"

By Fred Lundgren  
CEO of KCAA Radio

## KCAA on FM

KCAA Radio has a few hourly program times open for broadcasters interested in hosting programs on our station. You can call Trevor Garner Sales Manager at 714-986-4346

KCAA 1050 AM Radio, licensed to Loma Linda, CA. We are the CNBC News affiliate for the Inland Empire and host of the Inland Empire's #1 Talk Radio Show **TREVOR'S HAPPY HOUR** with Lyle Fenimore every Friday at 3pm PST.

KCAA combines nationally syndicated programs such as The Stephanie Miller Show, Imus in the Morning, On The Mark with Mark Westwood, Market Wrap with Mo Ansari and Your Music Team every Sunday night starring Fred Plimley with 50 regional and locally produced programs. We air weekly shows on subjects as diverse as medical marijuana and vegan diets. Our most popular weekend program is hosted by Joe Britt!

KCAA 1050 AM Radio offers audio and video streaming and podcasting. KCAA was one of the first commercial radio stations in America to stream audio and also one of the first stations to offer full-time audio podcasting. In fact, we developed proprietary podcasting software in December of 2003 that has operated successfully to this day. KCAA is now introducing around-the-clock video podcasting and live video Skype production for hosts who broadcast from their office or home.

As CEO, I have been the prime developer of the station's unique format that combines local and national talent. Our efforts have attracted thousands of local listeners and 175,000 listeners in 134 countries around the world. Our podcast site receives 150,000 visits each month. I work directly with programmers and advertisers to get their content on the air.

I branded the station with a unique moniker..."The Station That Leaves No Listener Behind" as a way to send a message to listeners and to remind other broadcasters that the prime directive of a federally licensed radio station is to serve the public interest, convenience and necessity irrespective of the licensee's politics, philosophy, religion or personal bias and that the public airwaves must remain open and accessible to all citizens.

**FROM THE EDITOR!  
"UNSPOKEN THOUGHTS"**

To start with, I would like to wish our advertisers and readers a Merry Christmas and a Happy, Safe New Year!

I think, that with all that has happened in the last couple weeks, we should be grateful for our families and friends that are enjoying the holidays with us. There are those, who are missing that smiling face across the dinner table, the empty chair that a loved one filled. I don't know any easy way to deal with the loss. I know that in time it does become less traumatic. It will never really go away. So take time to greet and treat your family and friends. Make this a true Christmas experience!

I will not spend, time this week or next week, talking about the debates. We all know what a downer it is. Clinton and her crew will be loading up to try to make a fool of Trump. It seems that the more Trump fires off his mouth, it's just how he is, the higher his ratings climb.

We are a Nation of many colors and beliefs. We can pull together and resolve the issues that plague us, if we choose to.

We can stand tall and proud of the fact that we have survived many storms. In the new year ahead we should make sure that we remember our mistakes of the past. To repeat them would be insanity.

God Bless America and all that she stands for!

May the families of our soldiers find peace during this season and their loved ones return safe. Look after each other. Be kind to the less fortunate. Stand tall and proud of you accomplishments!

Be humble in the eyes of your God!
