IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

"HAPPY NEW YEAR!!!" I hope that it truly is a Happy New Year for us and the rest of the country. For those of you who were able to travel for the Holiday, I would like to say, "Welcome Home!" For the many callers who wished me a "Merry Christmas and Happy New Year" I thank you. For the caller who asked "Why I don't run for President", the answer is simple. I would not make a "Good Politician" by the standards that are set in Washington, D. C., or for that matter even an office on a city, county or state level. I am to short tempered, swear like a drunk sailor and have a tendency when insulted to become a touch physical! I would be on the News several times a day for my lack of composure, or busting one of the "Lying Bastards" that we have in office up side the head! I think that I serve my personal and community needs by being able to bite the ""Bastards in the Ass" when it is apporpriate. I am enjoying the fact that the price of gasoline has come down greatly in the last month or so. Now to see what the hike will be after Gov. Brown ads the new fee on gasoline. I am fully aware that this increase was put in place by Gov. Square Head Schwarzenegger while he was still in office. Brown has the power to keep that fee from being applied, but don't hold your breath, he will put it in place. The only question that comes to mind is, "How much and How hard" will he be willing to screw us at the pump? He will justify this action by reminding us that we have grown accustom to paying higher prices than the rest of the country, so it should not be a problem for us to keep paying through the nose! The Federal Government was bragging how there were 347,000 jobs added in November, but failed to mention that most of these were part time seasonal jobs. What a pathetic joke. The jobs that were lost during the so call "Mortgage Meltdown" are not coming back. Big Business has learned that they can get by with less help and still see higher profits. On closing, I do wish everyone a wonderful and prosperous New Year. Stay safe, stay warm and win the "Big Lottery" and live happily ever after!
