IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

Obama gave the "State of the Union" address on Tuesday evening. My heart be still! What a pathetic joke. He informed us that small business was giving out raises. His efforts made that possible! What about all the small businesses that have been forced to close their doors since the economy is still in the toilet. Second, I heard this week that out of all the Illegal

Aliens in our Nation, 60% are right here in Southern California!! I don't see where any of the "Hope and Change" he was preaching has become reality. Maybe, he hoped that you wouldn't change and are dumb enough to elect him to a second term. That in fact did happen. We are losing our minds if we think that any of the crap he has spouted had any bearing on improving our lives. We are slowly spiraling into an abyss that will prove almost impossible to escape. I heard today that in

Iraq, you know the country that "Good Ole George Bush" brought democracy to, had a group of 12 young boys slaughtered by I.S.I.L. for watching a stupid soccer game on television. How is that for democracy? Taking out Saddam

Hussein was the biggest mistake that we were fully responsible for. While, without a doubt he was a bastard, Hussein keep the Middle East in check. Look at all the grief that the world is facing because of our belief in a "Beady Eyed Piece of Southern Trash. You can quote me on that! We have been lied to for many decades, even the liars believe their lie. We only have one choice to make in dealing with this threat. Get all our allies together, have the machine guns loaded and don't forget the bombs, and attack I.S.I.L. on their home ground. Burn them down with air raid after air raid until their bodies are one with the earth. We and our allies don't have the stomach to do the hard job. We will continue to be picked off nation by nation until we give into social acceptance of their right to dictate to the world that Allah punished us because we

are evil infidels! CALL ME!
