IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

"Welcome to K-Mart Shoppers!" "On isle #9 we have our BLUE LIGHT SPECIAL!" "Nice Big Pink Fuzzy Balls, 2 for .29cents." Everyone who wants to see a change in our policy for dealing with I.S.I.L. or I.S.I.S., which ever you prefer, buy a pair and send to our Congress, Senate, President and all the Western World Leaders to strap on and pretend that they are men! I.S.I.S. burned a Jordanian Pilot to death and we do nothing. Well unless you call more rhetoric B.S. from the people that claim they will keep you and your families safe from these "Evil Monsters"! When are they going to get it through their thick skulls that the only way to fight fire is with fire. The only thing that will gain their fear, if not respect, is to use every vile means available to wipe them from the face of the earth. You only look weak when you use the rules of the U.N. or the Geneva Convention in dealing with them. You don't have the luxury of taking them prisoner and releasing them years later. They are worse than rabid dogs. The will not stop until the world buckles and calls them the victor. I have no doubt that we have many sleeper cells on our own soil waiting to be activated. At that point what you see on T.V. and read about happening over there will be on our own soil. We need to stirke hard and deep. Spare no one that is in the jihad against us. How in the world did we ever get so deep over our heads? Washington, D.C. is a joke. They think that tough talk and making stern faces on T.V. is going to get the enemy to drop their weapons and quit? Are they really that "Stupid"? We as a nation, with or without our allies, need to be prepared to go in on our own and eliminate the problem forever. At the rate I.S.I.S. is accelerating we could find ourselves in the beginning of what will be World War III. We don't need to worry about World War IV, it will be fought with "Rocks"!
