PETS

IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

Well, The Honey Moon Is Over! The short lived almost affordable price at the pump for a gallon of regular gasoline has ended. I find that the rise of over a dollar a gallon in the last month to be totally unacceptable. The price of a barrel of oil is slightly over \$50.00. So why in the world is it soaring? Well the refinery that had a mishap in Torrance, and the one up North that is taken off line to do maintenance. It seems that we never get a break! I just returned from Arizona, the price of regular there was running \$2.10 to \$2.32 a gallon for regular. Imagine that! I stopped at a Smith's Market to get a few items for the road and was totally taken by surprise! The 1lb. package of bologna that Stater's charges \$4.95 for was there in the cooler priced at \$4.00 for 2 (two) 1lb. packages. I did not have time to really look into the prices in great detail, but I know that without a doubt we get bent over and screwed every time we reach for our wallets, checkbooks, or debit cards. I think that it is time that all of our citizens start putting pressure on the officials and demand answers! There is no reason in the world why we are always over paying for the necessities for every day existence. We get nothing but empty words and broken promises from our elected officials. It is on every level, City, County, State and not to mention the "Jack Ass" in the White House. I know that this will get me more hate mail and phone messages, but I am broad shouldered and can withstand the attack. Actually, that was not really a true statement I just made, the fact is, I really don't give a damn! I get tire and bored with all the people who make threats against me and no follow through. So to these spineless, bottom feeding cowards I have a recommendation! When you get up in the morning the first thing you should do is pour yourself a big steaming cup of "SHUT THE HELL UP!"
