**7 Days In Hell: I Was There!
An Eyewitness Account of the True Existence
of Hell Paperback**

by Larry E. "Buck" Hunter (Author),
Shane L. Weiskircher (Editor)

HELL A REAL PLACE Our curiosity about the abode of the dead is not completely satisfied by biblical terms or verses. What we do know is that either eternal torment in hell or eternal joy in heaven awaits all people after death, based on whether they trust in Christ's payment for sin or reject Christ. **I WAS THERE!** The Bible calls hell dark, lonely and miserable, a place of eternal separation from God. But God doesn't want anyone to go there. He wants a relationship with us through His Son, Jesus Christ, so we can spend eternity with Him in heaven. You don't have to fear hell. Take time now to be assured of your place in heaven.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
 WOW! It sure got wild this last weekend. There were 2 bombings, one in New York, the other in New Jersey. Then we had nine people stabbed in Minnesota. The media, politicians and law enforcement were like the Three Stooges on Steroids! No one wanted to say it was a terrorist attack! Media was not really giving us the truth, not that they ever do. To make a statement that is was an intentionally place bomb, and not connected to I.S.I.S., was the cowards way out. I think that the politicians realize that if they tell us the truth about the number of attackers just waiting to come out, the public would rebel! Trump is the only one that is calling it right at this point in time. We do need to handle this with strength. We do need to let the enemies of our nation know that we will wipe them from the face of the earth. Clinton, Butcher Bitch of Benghazi, says we need to be calm. We need to keep our arms open and welcome immigrants from all over the world. If we show them compassion, we will win their love and devotion. That is an easy way to look at it when you are surrounded by Secret Service who are well armed. We need to close the borders, stand fast, clean up the mess that we have already allowed entry to the U.S.. If we don't start getting it right, we are going to be overrun with thousands of terrorists. The government always paints a picture of them having things under control. That is not the case! They are so (here comes the F-Bomb) FIIKING STUPID, they could not find their way out of a port a potty with the door marked EXIT! Are these really the individuals you want to put and keep in charge of your family's safety? Obama, what a (Oh No! Another F-Bomb) FIIKING JOKE, not one leader in the world is willing to show him respect. Unless it is other wimp leaders that, when in Kindergarten, held hands and dreamed of the day that they could call the shots!!! So sad!!!
