FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
 What do you think? Is Trump responsible for the violent attacks outside his rally? I find it hard to believe that you could get a group of over 4,000 protesters together without putting in a lot of money, time and energy! Notice also, it is the Liberal Left that is coming to Trump's rallies. I could see where you could question who is to blame, if the Trump supporters showed up in mass numbers to protest the "Socialist Sanders, or the Vile, Evil, Mistress of Satan, Hillary Clinton"! The youth that are being drawn in by deception and lies, should be cautious. There is no such thing as a "FREE LUNCH" but, from time to time someone will buy your lunch. I don't think that the newer generation of voter has a clue about hard work and effort to make one's dream a reality. The more "BIG GOVERNMENT" promises to give you, the harder someone else will be working to pay that debt. Eventually, the laborers will tire or become disillusioned and fall from the work force. After all, why should I work longer and harder to watch the reward be handed over to a new breed of degenerate idiot! Everyone wants their lifestyle respected, and I am on board with treating people fairly, but when you want to take away my freedom of choice and demand that I no longer have the right to my own belief it has gone to far. Sanders is a prime example of the "Drunk Uncle" that the neighborhood kids love. It is easy to get lots of cash from the "OLD GUY" because he is not capable of handling his own affairs because of age and senility. On the other hand, Clinton is comparable to the "Witch" in "Hansel and Gretle"! Come closer, my dear, and help me throw the "OLD WORKING GUY" in the oven! We only hear about Trump, when the media can blast him. You never see a fair commentary from these "FAR LEFT HUGGING ASS KISSERS"! Personally, I feel violence is never the answer or solution. We can talk like adults and come to an understanding. But, you get in my face, insult me, spit on me you will only have one result. I will hand you your ass in a to go bag and aim you for the closest trash can. We got our ass kicked in Viet Nam. We will get our ass kicked in the Middle-East as well if you think that you can fight a war against scum using rules written long ago by a bunch of old white guys in Switzerland. You fight fire with fire. You don't want your family killed for your action as a terrorist, then don't go home! If you do, that attack is on you!
