**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

George Clooney helped Hillary Clinton raise another ton of money at the fund raiser he sponsored at his home. When asked about the total of all the donations, Clooney said it is a ridiculous amount. It seems that all the people that are raising money for Clinton have one thing in common. They are all "Filthy Rich"! These people have no clue about the hardship that the everyday working man faces. To them life is just a bowl of cherries! We now have the minimum wage headed for the \$15.00 per hour mark. So with every increase, you will see products and services increase accordingly. Our economy is not going to stabilize unless we take some drastic measures. We need to stop government on all levels from over spending, waste on ridiculous research studies, etc... \$21 trillion in the hole and climbing. Most people don't have any idea how much that actually is. There is nothing in our daily live to identify with.

I will try to clear that up for you. A trillion seconds ago was 31,709.8 years ago. There was no written history. We were still hiding from the winter's cold in caves. A trillion hours ago, is more or less, 114,077,116.131 years. A trillion days ago equals over 2.785 billion years ago. Now take the ridiculous number of 21 trillion days ago, the "Big Bang" hasn't happened yet, by a few billion years. Now, with a straight face, tell me how we are ever going to pay off the \$21 Trillion dollars that we are indebted to. We live in a world of smoke and mirrors. We are so use to the words, "Ignore the man behind the curtain" that we just fall in line like good little idiots and go about our dismal lives! The total world debt is around \$120 trillion dollars and climbing. Talk about a ponzi scheme! We were sold a bill of goods and never even kicked the tires. The younger generation will need that one explained to them. Now we have Sanders and Clinton getting backing from our grandchildren because they are promised all kinds of "FREE CRAP"! I think that we need to look at what we have allowed to happen and hang our heads in shame. We were the nation that lead the world. We were the nation that was for fair play and equal treatment for all. We were the nation that the world counted on to be strong in a disaster. Now we are know as the nation that has brought war and cruelty to the world. We let Washington politicians lie to us and get us into a war we can never win.

Let me know how that works for you!
