**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

Gov. McAuliffe restores voting rights to 200,000 Virginia felons . I could not believe my ears when I heard this piece of Southern White Trash make that announcement himself, on CNN Saturday morning.

I only heard it once on the news. It had nothing to do with anything other than a Democrat Governor kissing ass on Hillary Clinton. He even made the statement that now with their voting rights restored, they could vote for Clinton. Are you kidding me? I thought that California was the only "RETARDED" state that could be so corrupt! These stories only air once. They do it at an early hour when most people are asleep or on the road heading to work. You never hear it broadcast a second time. Does anyone else have a problem with this? I know that I will probably get grief over calling this "BASTARD", "SOUTHERN TRASH". My father was from Virginia, I was raised in Texas. I have nothing to do with my "BLOOD RELATIVES", nor do I care to. We are getting screwed royally. Obama is spending his last, do nothing, year on the road. He is spending more time abroad, probably "KISSING ASS", to see what else he can score before leaving office. And, to be fair, he really didn't do anything the first 7 years in office. The corruption in our two party system is plain as day. The media, the politicians, the system that the delegates vote by, you can bribe any of them with all kinds of gifts, as long as it isn't cash! And we're okay with that? They constantly bash Trump for call them out? They say he should have taken time to learn the rules before running for office. Well, I guess the best way to learn the in's and out's is to be an insider with the "GOOD OLD BOY CLUB OF WASHINGTON, D.C."! What bothers the establishment the most, Donald Trump has bought and paid for almost everyone of them in the past. He understands exactly how to buy politicians. The first debate, he announced that he had bought and paid for every politicians on that stage. Not one politician on the stage challenged his statement. They hate him because he knows the truth. Hillary Clinton hates everyone in this country, except the mentally challenged idiots that are at her rallies! I see these naive young women who look up to her with admiration. They don't have a clue, that this evil woman would cut their hearts out and throw their bodies on Satan's fire to get elected the first woman President. Just the thought of her as President makes me want to vomit!
