**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

This week is going to get even closer to seeing a fist fight over delegates! Cruz and Kasich are trying their best to push Trump out of the race. Neither of them have even close to enough votes to be the nominee, but if they can play enough dirty pool, they might be able to cheat their way in. And, that is ok, better one of them than Hillary. Clinton had diarrhea of the mouth, what a surprise, when she went to blasting on how men need to stay in their place. I can't believe, then again I can, that this "Bitch" can shoot off her mouth and the media does nothing to challenge her. If that was a republican spouting off, the media would have been all over it. Yes, the states have their own rules on delegates and how to play the game in getting a President elected. But, if you look at it with out your ROSE COLORED GLASSES, the system has been flawed for over 100 years. Our vote really is just a token. It really doesn't matter to the powers that control our lives. They get away with murder, I mean that literally! That pathetic, old joke of a governor is as crooked as they come. We pay more than the rest of the nation for gasoline and see less maintenance on our streets and highways. The tax money that we pay at the pump to repair our roads and highways has been diverted to cover union pensions. If you or I embezzled funds and spent them on other things that what it was designated for, we would be arrested, tried and convicted. Politicians, lie, cheat, steal. They can't be touched. They can't be held liable for any of their thefts. Everyone was outraged by Trump saying America First! Well boys and girls, it is time for a wake up call. If we don't put ourselves and our needs ahead of the rest of the world, there will come a day that we will not be able to assist anyone! If you are that stupid to believe that playing and paying all over the world benefits us, you must be smoking some good CRACK! We are being sold out by our own elected officials. They are kissing ass on every B.S. cause out their. They think that it is okay for a man to walk into the ladies restroom or changing room. I got news for you and them. If my daughter is in that restroom or changing room and you start to go in. Be ready for me to hand you your head and ass together in a to go bag!

Sick, demented bastards!
