TREVOR'S HAPPY HOUR
 WITH LYLE FENIMORE
 EVERY FRIDAY 3-4pm www.kcaaradio.com

This FRIDAY 5/13 from 3-4 PM PST on Trevor's Happy Hour with Lyle Fenimore our guest will be Actress & Author Kathy Garver. She will tell us about her new book X Child Stars: Where Are They Now?. Spanning forty years of television history, this book details both the success stories and misfortunes of many child stars. Included in this book are the stories of Anissa Jones, Buffy on Family Affair, who tragically died from a drug overdose at the age of eighteen, as well as Ron Howard, who starred in both The Andy Griffith Show and Happy Days, and who later became an Academy Award-winning director. A child star herself, Kathy Garver profiles these and other legends of classic television in a book that will answer the question: Where are they now?

Listeners can call Kathy at 702 430 1808 and listen online at www.trevorshappyhour.com
 You can purchase the book at kathygarver.com

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

Hope that everyone had a great Mother's Day! My Mom has been gone 3 years now. Enjoy Mom while you can. I would also like to give a shout out to Pastor Franklin. This man is a good man, an educated man. He see's the trouble and evil that is working to destroy our nation. I always enjoy our talks, we need more men like Pastor Franklin in our lives!

Now on to business! I can't believe the audacity of the crap former President from Mexico. Vicente Fox, insults our citizens that are for Donald Trump, backs the Democrat's to get Hillary Clinton elected. He says he will do anything that it takes to make it happen. Talk about an arrogant, pompous ass. That is the same as an outside element looking to over throw the government. Notice that Obama, Clinton or Sanders has said anything at this point in time to distance themselves from this South of the Border Joke, I would have called him a "WET BACK" but, he is still on his side of the river! I am tired of the social and political correctness. I am against different sexes using the same public rest rooms. I am against giving up my guns, and if you allow Clinton to become President, that will be her first item to deal with. She will appoint 3 retarded bottom feeders to the Supreme Court, they will get rid of the second amendment. Every country that has taken guns out of the hands of honest citizens has been over run with criminal elements. Then again, our politicians are criminals, they just make themselves exempt from the laws that govern us. From the beginning the Media, Clinton and all the other "Bastards" that have sold us out have done nothing but launch attacks against Donald Trump. When Trump defends himself, he is made out to be the "BAD GUY"! If you can't see the corruption in our political system, then you are blind and stupid. I know that I will anger many of the Liberal Left Bottom Feeders, but at this point I really don't care. If you want to live in a Socialist Country, move to Europe. There are several to chose from. You can walk down the street with your self righteous attitude, and dodge the Muslim extremist that are trying to cut off your ugly head. If you don't wise up, you will live to regret it. When anyone's voice is made quiet, we all lose our freedom of free speech. Hillary's only interest is to make the history books. After all, The Black guy already did! And that is the only thing he has accomplished in 8 years!
