WHAT'S STOPPING YOU FROM BUYING A HOME ?

Bad Credit, No Down Payment, Bankruptcy, Foreclosure, Affordability, Retirement, Student Loans?

- Why Home Ownership Is Your Next Best Move -

- * In most areas, the majority of the excess prices have finally been wrung out of the market.
- * Homes haven't been this affordable since 1991.
- * For the past couple of years, interest rates have hovered at levels not seen since our Veterans came home from the Korean War.
- * When you own a home, YOU control your security, living environment and can change your home as you see fit.
- * You can offset some of the cost of ownership by deducting your mortgage interest.
- * Equate renting with "Throwing your money away".
- * Purchase with a fixed payment; landlords may increase rent.
- * A property is something you can leave as an inheritance.

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

I don't know if I just don't see the "BIG PICTURE" or if the "HEAT" is getting to me. The media in general likes to label everything that Trump does as "Racist"! I admit that he could use a better thought out dialog when making reference to events in his life. Like the comment about the Judge who was born in Illinois to Mexican Immigrants being jaded when it comes to being fair in his court battle. To be totally fair on the issue, I myself would probably have a doubt or two! Let me make a simple case that even a slow first grader would be able to grasp the scenario. We see protesters in L.A. waving Mexican Flags, screaming out in hatred at Trump. Now the question I have for you to answer is simple. Are these Mexican Citizens that are here illegally? Are they Americans of Mexican decent waving these flags rather than the American Flag? Are they legal immigrants that are documented, waving Mexican Flags? If you are here legally, or a natural born citizen and you choose to wave another nations flag in protest to events that are happening here in the United States, the only thing I can say is, "Go live in the country where the flag came from, if you don't like it here"! When you listen to these individuals, rather than identify themselves as American Citizens, they refer to themselves as Mexican, African, Honduran or what ever! I am a mix, German, Irish, French, Spanish, Algonquin and Indonesian. I only refer to myself as American. I served in the military during the most unpopular war, to protect American Citizens. I did not say that I would only protect the French Americans, German Americans, Spanish Americans, Irish Americans, Native Americans, or Indonesian Americans. My oath was to protect the American People, against all enemies foreign and domestic. So, when you raise another nations flag in my face and hurl your insults, I only ask that you remember one thing. I, and men and women like me, put our lives on the line to insure your right to be as low life a piece of garbage that you care to be. It was individuals like us that gave you the freedom to pick up the flag from a country that nobody wants to live in and wave it defiantly in my face. It was people like me that gave our "Blood and in some cases their Lives" so you could be as much of a loser as you chose to be. We gave you the right to be as cowardly as you can push yourself to be. We only cut you slack, because we defended your right to be ignorant. Maybe we should have defended your right to be respectful of the men and women that you so easily insult. You think about it next time you wave that "CRAP FLAG" in someone's face!
