WHAT'S STOPPING YOU FROM BUYING A HOME ?

Bad Credit, No Down Payment, Bankruptcy, Foreclosure, Affordability, Retirement, Student Loans?

- Why Home Ownership Is Your Next Best Move -

- * In most areas, the majority of the excess prices have finally been wrung out of the market.
- * Homes haven't been this affordable since 1991.
- * For the past couple of years, interest rates have hovered at levels not seen since our Veterans came home from the Korean War.
- * When you own a home, YOU control your security, living environment and can change your home as you see fit.
- * You can offset some of the cost of ownership by deducting your mortgage interest.
- * Equate renting with "Throwing your money away".
- * Purchase with a fixed payment; landlords may increase rent.
- * A property is something you can leave as an inheritance.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

Just to show you in black and white, here is the amount of money that our wonderful government has helped themselves to from our Social Security. These bastards have helped themselves to 2.6 Trillion dollars in the last 40 years. They have replaced it with I.O.U.'s! Am I the only one who is having difficulty with this? Well, since the American Public has been neutered, the corruption continues. How else can you explain a person running for President who should be planning her defense? Elizabeth Warren is looking very much like the V.P. for Hillary. If you listen to her on C.N.N., she is sounding and acting like a Clinton Clone! She has all the mannerisms vocally and physically down pat! She feels that if she gives it her all and Hillary blesses her with the job, she will be the first woman V.P. and who knows, maybe the second woman to hold that office after Hillary gets her fill. Then all the young, naive individuals that have sworn their allegiance to the cause? These sheep don't have a clue what is in store for them. They think that everyone takes home a trophy. The Brit's got it right with their election to pull out of the E.U.. They got tired of footing the bill for the rest of Europe. The young people who voted to stay in the union, are more of the idiots that will be running the show in a few more years. The Media stated that the people who voted to leave the E.U. were older, uneducated and uninformed. That is what they will say about people who want Donald Trump for President. Trump is not my first choice, but Hillary? Bill "Slick Willie", is just as excited as a school boy to be back in the White House! He can give tours and reminisce about the "Good Old Days", when he and Monica, I mean Hillary chased each other naked through the Oval Office! We need to pray to God for guidance! We, and the rest of the world, are going down the toilet. We have made ourselves the laughing stock of the entire world. We, with the help of Obama, have showed the "Bad Guys" that we are all talk and no action. We have a small window to get this one right! If we blow it, we will not have a country in 2020. You can only be patient when waiting for the "Golden Goose" to lay the "Golden Egg"! Just like in the fable, you kill the goose and you lost the rest of the eggs that you would have recieved. History keeps repeating itself. The world has gone totally insane. Next thing you know, your sitting in the corner of a room, playing with your adult diaper. There will not be anyone to come to your aid. Obama's healthcare, that Hillary will keep in place, will make sure that you don't waste anymore time on this planet.

Theodore Roosevelt's ideas on Immigrants and being an AMERICAN in 1907.

'In the first place, we should insist that if the immigrant who comes here in good faith becomes an American and assimilates himself to us, he shall be treated on an exact equality with everyone else, for it is an outrage to discriminate against any such man because of creed, or birthplace, or origin. But this is predicated upon the person's becoming in every facet an American, and nothing but an American. There can be no divided allegiance here. Any man who says he is an American, but something else also, isn't an American at all. We have room for but one flag, the American flag. We have room for but one language here, and that is the English language. And we have room for but one sole loyalty and that is a loyalty to the American people.' Theodore Roosevelt 1907
